

Data & Reporting

Data You Need to Manage Your Multi-Family Community

Parking Base makes it easy to stay on top of your operations with detailed, customizable reports. You can quickly search for reports by type or find them in the menu bar.

Reports can be emailed in Excel or PDF format to managers, supervisors, or accounting teams on-demand or schedule. You can also set up alerts for issues like permit rates outside your set structure to stay informed.

REPORTS INCLUDE:

- Permit Status & Summary
- Violation Reports
- Revenue Reports
- Guest Parking Activity
- Reserved Space Management
- Occupancy Statistics
- Waitlist Status
- Access Control Logs
