Crafted for you
with love 

Why **ab.coffee** at your wedding?

A great wedding isn't just a celebration, it's a memory etched in time. On a day built on love and meaning, every detail matters, because it's the little things that make the moments truly timeless.

Our coffee bars are designed to delight everyone at your celebrations, from teetotalers who prefer a comforting brew, to cocktail lovers who can enjoy our signature coffee cocktails. From cousins to grandparents, we've got something for every palate. Every drink is handcrafted by our skilled baristas in under 3 minutes, ensuring your guests enjoy the finest coffee experience, effortlessly and on time. Unlike the standard coffee at venues, we bring specialty brews that level up your guests' experience and make your events feel even more personal and memorable. From a Haldi with Boba Tea to a Mehendi with Matcha, Cocktails, or even the big day itself, we'll make every moment warmer, joyful, and truly inclusive.
