

BINA JHAVERI

Partnering Facilitator | Founder & CEO, A to Zen Coaching

Bina Jhaveri is a seasoned **Partnering Facilitator at Global Leadership Alliance (GLA)** and the **Founder & CEO of A to Zen Coaching**. With over **25 years of experience in leadership development, executive coaching, and organizational transformation**, Bina brings a powerful blend of **global perspective, emotional intelligence, and practical expertise** to every engagement. Since joining GLA in **2022**, she has led dozens of **partnering sessions for large-scale infrastructure projects** across Southern California, supporting agencies such as **Caltrans, LA Metro, the Port of Los Angeles, and Naval Facilities Engineering Systems Command Pacific (NAVFAC)**.

She is listed on the **Caltrans Partnering Facilitator Roster for Districts 4, 7, 8, 9, and 12**, and has successfully facilitated more than **50 projects** as of late 2024. Most recently, she was honored with the **2025 Caltrans Best in Class Award** for her exceptional Partnering work on the **Traffic Ops Install Project in Los Angeles County**, recognizing her impact on collaboration, communication, and successful project delivery.

Recognized in *Marquis Who's Who of America* for her **outstanding contributions to the coaching industry**. Bina is known for her **precise, energizing, and professional facilitation style**. She holds an **Executive Master's in International Business Management** and a **BA from Cal State Fullerton**. Her career includes **15 years in Corporate America**, where she led **strategic marketing and project management** efforts before transitioning full-time into coaching and facilitation. As an **Internationally Certified Executive Coach**, she has served as a **mentor and instructor in ICF-certified coach training programs** for over **seven years** and has coached clients across the globe—from **Asia to North America**.

Through her company, *A to Zen Coaching*, Bina has worked with an elite portfolio of clients including **Google, Facebook, LinkedIn, Tesla, SpaceX, Amazon, and the U.S. Air Force**. She also serves as a **leadership coach for the Google Emerging Leaders Program**. Her facilitation work spans topics such as *project partnering, conflict resolution, communication, psychological safety, emotional intelligence, DEI&B, and values-based leadership*. Bina is certified in **Humble Leadership, Creating Psychological Safety for Diverse Teams, A Great Place to Work for All, Motivational Interviewing, and The Six Habits of High Performers**, among others.

At the heart of Bina's work is a deep belief in the power of **curiosity, authentic connection, and transformative dialogue**. Her ability to **align diverse teams** and guide them through **high-stakes conversations** makes her an invaluable asset to **GLA** and the organizations she supports.
