The Centre at 58 Errol Street.

The Centre celebrated 40 years of service to the North and West Melbourne Community in 2017.

ABOUT THE CENTRE

The Centre is a not-for-profit incorporated charity situated in Errol Street in the heart of North and West Melbourne.

The Centre has operated for over 41 years having celebrated 40 years of service to the North and West Melbourne Community in 2016. The Centre continues to be proudly run by a loyal and committed team of volunteers and paid staff. The Centre's members and clientele cover a diverse range of individuals from a variety of cultural backgrounds and organisations, exemplifying the richness of the local community.

The Centre's programs and activities respond to the needs of the North & West Melbourne community, providing an accessible and inclusive agenda which fosters belonging and community spirit, reduces social dislocation and ultimately improves the wellbeing of the community's members.

The Centre works closely with other community partners and local associations and is supported by funding and goodwill from the community, government and non-government organisations.

The Centre is an Incorporated Association registered with Consumer Affairs Victoria and a charity registered with the Australian Charities and Not for Profit Commission. The members of the association comprise individuals that have been active participants in any of the activities run by The Centre and supporters from the local community. Members are entitled to attend the Annual General Meeting and any Special General Meetings of the association and vote on any resolutions put to the meetings.

The Centre's activities are overseen by a Management Committee elected or appointed in accordance with The Centre's constitution. Directors receive no remuneration for being on the Committee.

Committee members at 30 June 2016 were:

- ↳ Mr. Karl Hessian - Chairperson
- ↳ Mr. Malcolm Peacock - Director
- ↳ Ms. Margaret Wood - Secretary
- ↳ Ms. Kathleen McPherson - Vice Chairperson
- ↳ Mr. Bill Liddy - Director
- ↳ Mr. Benjamin O'Connor - Director
- ↳ Ms. Tianhong Wu - Director
- ↳ Ms. Pam Hargreaves - Director

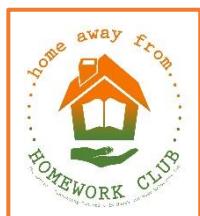

At the time of publication of this report the Office of Treasurer was vacant.

During the year two directors retired from the committee. They were:

- ↳ Ms. Doone Clifton – Treasurer (retired 26 September 2016)
- ↳ Ms. Alison Hindson – Director (retired 26 September 2016)

The Committee has delegated responsibility for the day to day operation of The Centre to a Centre Director. The current Centre Director is Mr. Michael Halls.

The Centre's programs and activities include educational programs, community activities and events including:

ACKNOWLEDGEMENTS

These financial statements include financial information for Errol's Angels Community Choir Inc. ABN: 47 415 008 045.

The Centre is a founding member of the INC Co-operative

Key Partners & Supporters

Major Donors

AMP Limited was major donor supporting our Workout program.

Mr Ray Wilson was also a major donor supporting our Workout program.

Errol's Angel's Community Choir raised \$2000.00 to support our Homework Club.

The Centre wishes to thank the above donors for their generosity as well as all those individuals that supported our on-line fundraising campaign that raised over \$4,500.00 to support our Homework Club. Thank you all.

Auditor

Mr Michael Adasko CPA

ABR Partners Pty Ltd

Unit 7, 617-643 Spencer Street

West Melbourne, VIC 3003

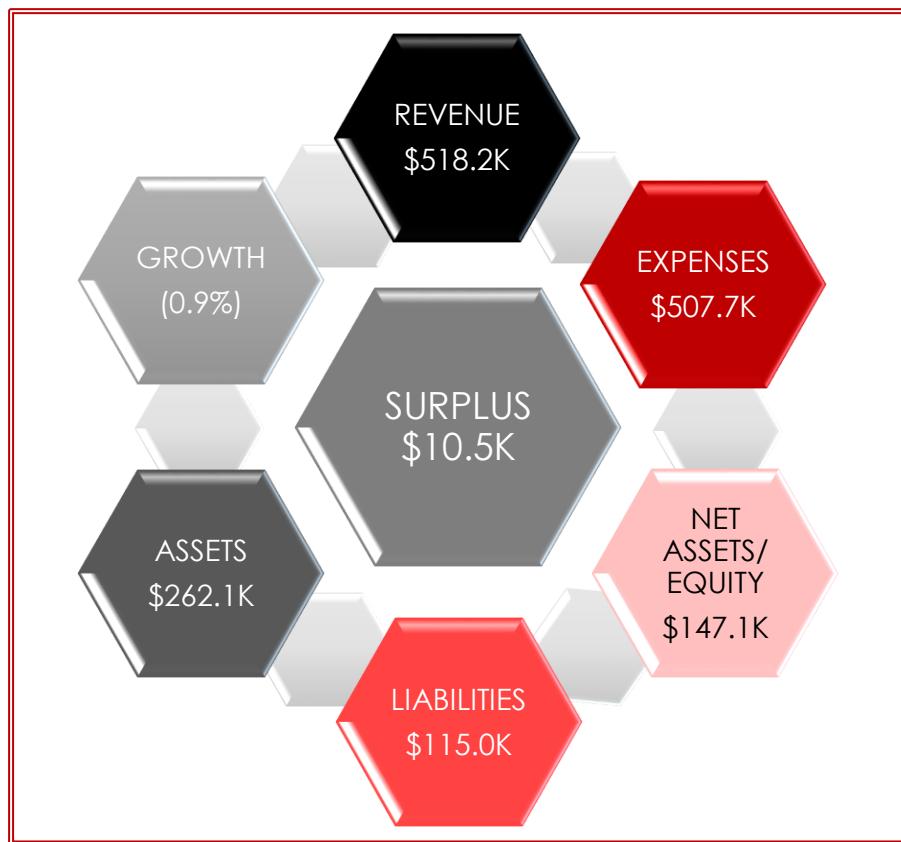

During the course of the year The Centre's Auditor, Mr Eugene Odachowski, principal of J.P. Hardwicke & Associates, and the principals of the firm ABR Partners Pty Ltd, agreed to a merger. The two firms had been working closely together for some time. Whilst still a principal in the merged entity, the merger offered Mr Odachowski the opportunity to cease public practice in a timely manner, without disrupting service to his existing clients. As such Mr Michael Adasko CPA, a partner in the new company, has taken over this year as Auditor for The Centre.

During his tenure as Auditor Mr Odachowski provided sound financial advice and support to The Centre during a challenging period of significant change and transition. Whilst The Centre is very grateful for the seamless handover to our new Audit Partner, it is with great sadness that we farewell Eugene.

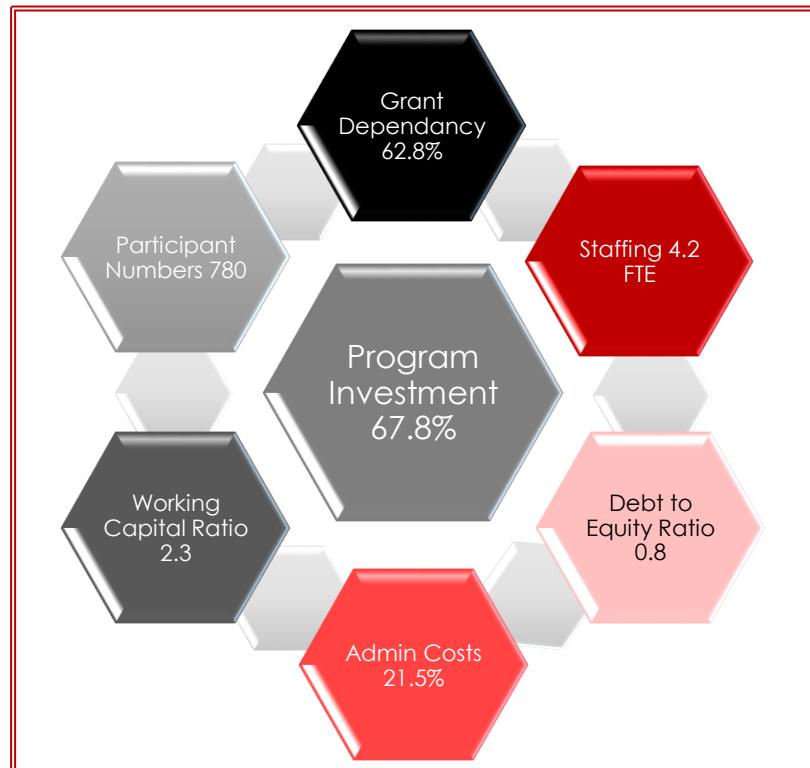

The Centre's Committee, Management, Staff and Volunteers would like to offer their sincere thanks to Mr Odachowski for his service as the Centre's Auditor. It is with fond memory that we wish him the very best for the future.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2017

NOTE 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012*.

The financial statements cover The Centre: Connecting Community in North & West Melbourne Inc. ("The Centre") as an individual entity. The Centre is an association incorporated in Victoria and operating pursuant to the *Associations Incorporation Reform Act 2012*. The committee of management of The Centre has determined that the association is not a reporting entity.

Basis of preparation

The financial statements have been prepared in accordance with Australian Accounting Standards as required for a 'tier two association' under the *Associations Incorporation Reform Act 2012*.

The financial statements, apart from cash flow information, have been prepared on an accruals basis in accordance with the historical cost convention, except for the measurement at fair value of certain non-current assets and financial assets and liabilities where stated.

All amounts shown in the financial statements are rounded to the nearest dollar.

The following material accounting policies have been applied in preparing the financial statements for the year ended 30 June 2017 and the comparative information for the year ended 30 June 2016.

(a) Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the entity and is measured at the fair value of the consideration received or receivable. Specific revenues are recognised as follows:

Grants

The Centre receives grants for operating and project purposes. Where there are conditions attached to grants relating to the specific use and timing of funds and which may provide for economic value back to the grant contributor, grants are first recognised as a liability in the statement of financial position (income received in advance) until such obligations are met, then recognised as revenue in the statement of comprehensive income as performance occurs and grants are expended in accordance with grant requirements. Grants are otherwise recognised as revenue when control of the underlying assets received or receivable has been obtained.

Rendering of services

Revenue from the rendering of a service is recognised upon the delivery of the service to the customer, and where delivery is in progress, by reference to the percentage stage of completion of the transaction.

Course and activity fees

Fees are recognised as revenue when they are received, unless they have been received in advance of the commencement of the related activity period, in which case they are first recognised as a liability in the statement of financial position (income received in advance), then transferred to revenue when delivery commences.

Sale of goods

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest

Interest revenue is recognised on a proportional basis taking into account the effective interest rates applicable to the financial assets.

All revenue is stated net of the amount of Goods and Services Tax (GST).

(b) Property, plant and equipment

Each class of fixed asset is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses. The carrying amount of physical assets is reviewed annually to ensure it is not materially in excess of the recoverable amount from these assets.

Depreciation

Fixed assets are capitalised and depreciated on a straight-line basis over their useful lives commencing from the time the assets are held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of fixed asset

Office furniture and equipment:

	<u>Depreciation rate</u>
• Furniture	15-20%
• Office equipment excl. computers	20-25%
• Computer equipment	25-40%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

(c) Operating leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the lease term. Any lease incentives received under operating leases are recognised initially as a liability and amortised on a straight-line basis over the life of the lease term.

(d) Financial instruments

The association's financial instruments consist of cash and cash equivalents and non-interest-bearing trade and other short-term receivables and payables.

Cash and cash equivalents comprise at-call and short term deposits held with financial institutions and cash on hand. Receivables comprise trade and other short-term amounts owing to The Centre and due for settlement.

Payables represent liabilities in relation to goods and services provided to The Centre prior to the end of the financial year which are unpaid.

Recognition and measurement

The association recognises financial assets or liabilities on the date they are originated or when it becomes a party to the contractual provisions of the instrument. The instruments are initially measured at fair value plus any transaction costs. Subsequent measurement is either at fair value or amortised cost, less any impairment losses.

Fair value

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction. The fair values of the association's financial instruments are based on cost.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the association no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expired.

(e) Impairment

The association assesses the carrying amounts of its financial and non-financial assets at the end of each reporting period for indications of impairment. If any such indication exists, the asset's recoverable amount is estimated, and any excess of the asset's carrying value over its recoverable amount is recognised as an impairment loss.

Impairment losses are expensed to the statement of comprehensive income, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation, with any excess recognised through the statement of comprehensive income.

The recoverable amount for assets is recognised at either the present value of estimated future cash flows, fair value less costs to sell or depreciated replacement cost, depending on the asset.

Impairment of the association's financial instruments is not recognised until objective evidence exists that a loss event has occurred. A provision for impairment losses is raised if there is an indicator that an impairment loss may be incurred.

An impairment loss is reversed if a subsequent increase in the recoverable amount of the asset can be objectively related to an event occurring after the impairment loss was recognised.

(f) Provisions

Provisions are made when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. The amounts recognised represent an estimate of the obligations as at the end of the reporting period.

(g) Income received in advance

Income received in advance represents liabilities for amounts received by The Centre in advance of the related delivery of goods or services, for which contractual obligations exist. Refer also Note 1 (a) Revenue.

(h) Employee benefits

Provision is made for the association's liability for short and long-term employee benefits arising from services rendered by employees to balance date. These benefits include salaries and wages, annual and long-service leave and superannuation.

Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, including related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits plus related on-costs.

(i) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

The net amount of GST recoverable from, or payable to, the Australian Taxation Office is included as part of receivables or payables in the statement of financial position.

Cash flows are presented in the statement of cash flows on a gross basis, except for investing and financing activities, the GST component of which is disclosed as part of operating cash flow.

(j) Income Tax

The Centre is endorsed as an income tax exempt charity under Division 50 (Subdivision 50-B) of the Income Tax Assessment Act 1997.

(k) Comparative figures

Where necessary, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(l) Accounting judgments and estimates

The preparation of the association's financial statements requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts in the financial statements. Estimates and assumptions are based on historical experience, best available current information and reasonable expectations of future events. Actual results may differ from estimates.

Estimates and assumptions are reviewed on an ongoing basis. Any revisions to accounting estimates are recognised in the period or periods affected by the revision.

(m) Adoption of new and revised accounting standards

The association has adopted applicable accounting standards and interpretations that are mandatory for the current reporting period. All new and revised accounting standards and interpretations that have mandatory application for future reporting periods, and are relevant to the association, have not been early-adopted.
