

MARK HESSELING

(BUSINESS) CONTROLLER | M3 FINANCE CONSULTANT
VOLUNTEER PHILADELPHIA GEHANDICAPTENZORG

PROFILE

I am a finance professional with excellent communication skills. In addition to extensive experience in financial and business control, I distinguish myself through my ERP (M3) and BI expertise, as well as my ability to quickly grasp a new business.

What are the critical success factors of this organization, and how can I contribute to improving performance in these areas? By understanding what truly matters and reporting on it in a relevant, accurate, and timely manner, I am a valuable strategic partner for the management team.
