Individuals employed across southern Colorado

81

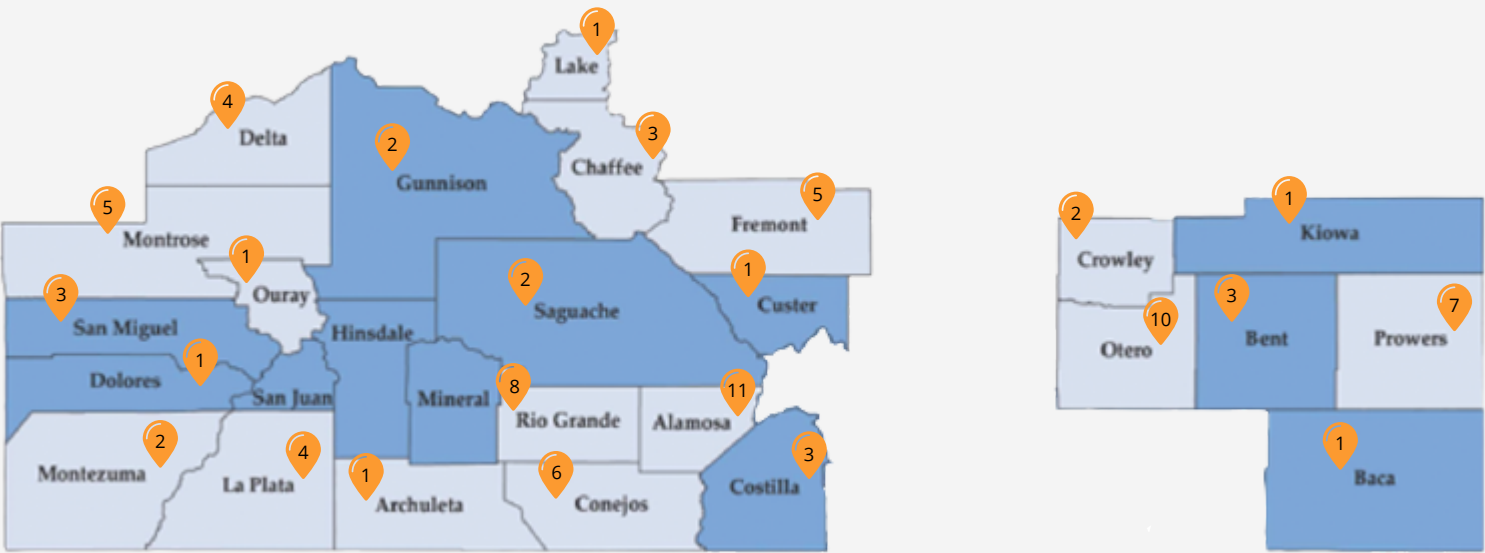

Locations for primary care, mental health care, and urgent care services

72,839

Unduplicated clients served annually over the last two years (2018-20)

LOCATIONS IN EACH COUNTY

PURPOSE

The members are associated to coordinate efforts in the service areas of members, which are historically underserved, high needs, and/or in a healthcare professional shortage area, aimed at:

- ▶ Reducing health disparities
- ▶ Creating a continuum of care that is designed, driven, and managed at the local level
- ▶ Promoting public health partnerships
- ▶ Producing administrative and programmatic efficiencies
