GOLFING ETIQUETTE

THE GAME OF GOLF

In the interest of all, know the rules and observe the etiquette of the game of Golf, it's not only a tribute to you but also to the club.

Players should play without delay, ensuring that you keep up with the group in front at a reasonable pace. It's the responsibility of the lowest marker to monitor the speed of play. If a group fails to keep its place on the course and loses more than one clear hole on the players in front, it should allow the match following to pass.

Mark your scorecard on the next tee. Remember, players behind you also wish to fulfil their round. Slow play is selfish and affects all players.

No player shall move, talk, or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.

A player who has incurred a penalty should notify their opponent or marker as soon as possible.

In the absence of Special Rules, two-ball matches should have precedence over and be entitled to pass any three or four-ball match.

BEFORE YOUR GAME

Tee Times: Members should be available to collect their cards 15 minutes before the booked tee time.

Booking Sheet: Members wishing to cancel a booked time must notify the Golf Shop staff at least 24 hours prior to the booking.

Before Play: Members should read any notices regarding local rules or notices relating to the play of competition. Members should check their scorecards to check for any temporary local rules.

DURING YOUR GAME

Mobile Phones: Mobile phones are allowable with discretion, however constant use is frowned upon.

Lost Golf Ball: The Rules of Golf (18.2a (1)) stipulate that you are only allowed 3 minutes (180 seconds) to search for a lost golf ball.

Players searching for a ball should signal the player/s behind them to pass as soon as it becomes apparent the ball will not easily be found. They should not continue to play until the players following them have passed and are out of range.

ADOPT A “READY-GOLF” ATTITUDE

Below are some ready-golf recommendations for all players to consider while playing a round at Leonay Golf Course.

On Par 4 or Par 5 Holes

- If the group in front are in range of longer hitters, allow shorter hitters to play first from the tee or fairway if longer hitters are waiting to hit first regardless of who has the honour (let them know you are going to!). No player should play until the group in front is out of range.

NOTE: Teeing off out of turn is not applicable when playing Match Play format.

- When chipping or putting, play your shot if the player furthest away is not ready.
- Putt out if you do not interfere with another player's line.
- Hit your shot before helping to look for a lost ball.
- Move buggies and carts away from the front of the green before putting out.
- Leave the putting green immediately after all the players have putted out.

On Par 3's

- **Calling-up on a par 3 hole is not encouraged.** Any player calling-up a following group does so at the players own risk.
- Playing golf involves inherent risks, including risk of being struck by a golf ball. The risk of being struck significantly increases when players “call-up” the following group on a par 3 hole.

AFTER YOUR GAME

Score Cards:

- The rules of golf place the onus on the competitor to see that their correct score is recorded by their marker for each hole.
- The score must be recorded by their marker at the completion of each hole.
- Scorecards **MUST** be returned promptly after the completion of the round.
- The practice of writing up cards in the clubhouse is not permitted.
- The competitor must;
 1. ensure that the marker has signed the card,
 2. ensure that the player has signed the card,
 3. ensure their card is correctly scanned, saved and recorded at the scanning terminal in the Pro Shop (or upstairs in the Clubhouse if available),
 4. ensure their card is placed in the competition box in the Pro Shop,
 5. any alteration on the card must be initialled by the marker.

NOTE: The Rules of Golf state that a players scratch score which is signed for and recorded LOWER than what was actually scored is subject to disqualification. A players scratch score that is signed for and recorded HIGHER than what was actually scored will stand.

COURSE CARE

COURSE RULES: THE COURSE STAFF HAVE RIGHT OF WAY AT ALL TIMES

Members and visitors are requested to assist the course staff in the proper maintenance of the course by:

- Carrying and using the sand buckets provided
- Using bins provided for disposal of rubbish.
- Keep Golf Carts at least 15 metres away from the greens.
- After having played out of a bunker, a player should carefully repair all marks made therein. Rake Bunker inward and place rake in the centre of the bunker.

REPAIRING BALL MARKS

- Always start at the back of the mark and push forward with the repairer.
- Use repairer around all sides and slowly ease turf toward the centre of the mark. Do not lift the soil upwards.
- Lightly tap down with your putter.
- Your completed repairs should look like the images above.

REPAIRING DIVOTS

- A player should ensure all divots are replaced or filled with sand and any damage on the putting surface is repaired.

HOUSE RULES

CODE OF CONDUCT

Members are expected to take pride in their Club regarding dress and conduct generally and to assist in the observance of the by-laws of the Leonay Golf Club.

HANDICAPS

All Members and Visitors male handicaps are to be 36 maximum.

DRESS CODE ON THE COURSE

- Satisfactory footwear must be worn. Ripple sole shoes, thongs, sandals, and high heels shoes are not permitted under any circumstances.
- Shorts with short sports socks are permitted.

COMPLAINTS / PROTESTS

All complaints must be made in writing to the Secretary of the Men's Golf Committee who will submit them to the next meeting of the Men's Golf Committee.

All protests or disputes in connection with a competition or match shall be submitted in writing within 15 minutes of the completion of the round to the Captain, Secretary, or other member of the Men's Golf Committee.

SCANNING & CHECKING YOUR SCORE CARD

It is the responsibility of EACH INDIVIDUAL PLAYER regardless if they are the one scanning and saving their score card using the scoring machine or not, to ensure their score physically written on the score card matches with that on the scanning machine.

A small unintended pencil mark on the score card can be accidentally picked up by the scanner as an incorrect score which can result in an incorrect score being recorded and as a consequence, incorrect prizes awarded. You MUST CHECK that the score card/s match the score/s on the scanner. If there is a need to edit a score and you're not sure how to do so, have the Pro Shop staff assist you before the scores are saved.

RIGHT OF THE COURSE

The President and Captain shall have the right of the course at any time should they desire to exercise that right.

MATCH COMMITTEE

The Match Committee reserves the right to alter the programme, Grades and other conditions of play or competition rules at any time prior to, or during competition if those alterations do not interfere or conflict with the Rules of Golf.

STARTING TIMES

Members are requested to report to the starter 15 minutes before their hit-off time; otherwise, they may lose their place and may be sent to the end of the field or may incur a penalty (suspension or disqualification) as the Match Committee may decide. Saturday starting times are as programmed on the Starting Sheet. Members are responsible for their own tee-times on the Starting Sheet – no exceptions given. The times selected on the Starters Sheet by members will be accepted and adopted by the Match Committee as the official starting times i.e., THE TIME LAID DOWN BY THE MATCH COMMITTEE. **NOTE:** Any member who fails to attend in accordance with their starting time may be DISQUALIFIED in accordance with RULE 6 -3 of the Rules of Golf.

MATCH PLAY

Handicapped Event: Highest handicapped player plays off the full difference in G.A. Daily Handicaps and receives shots in accordance with Match Play Index on the back of the scorecard, obtained from the Pro Shop.

Scratch Event: No handicap is applicable.

HOW TO PLAY THE FOLLOWING SINGLES BASED FORMATS

STROKE EVENTS INCLUDING MEDAL ROUNDS

The score of each hole is recorded on the Scorecard provided. At the end of play this is calculated with the player's handicap deducted. Almost all Members' competitions are open events. **However**, visitors including honorary members from reciprocal clubs cannot win a Championship or a Medal. If a visitor wins a Medal Round they will be awarded with the appropriate prize, but the medal itself will be awarded to the most successful member according to the rules for this competition.

STABLEFORD

The method of playing Stableford competition is for the player to take strokes at holes as indicated on the Scorecard and to score points on the nett results at each hole. At the end of the round all points are added up and the player having the highest number of points is the winner in their respective Grades.

ALTERNATIVE STABLEFORD FORMATS

American Single Stableford: Played like a normal Stableford game but with no handicap. The player's handicap is added at the end of their round with the points accumulated during the round. Once a player has reached a stroke score worse than a double bogey (2 over par) and has not holed out, the player is to pick up and proceed to the next hole without delay.

Irish Single Stableford: Played like a normal Stableford game, points are multiplied and added to the Scorecard as follows.

- Holes 1-6 1 x Stableford score
- Holes 7-12 2 x Stableford score
- Holes 13-18 3 x Stableford score

NOTE: If a player is unsure how to score the alternative stableford formats above, a player is to record their stroke score without holding up play. The scores will be processed by the computer in the Pro Shop.

HOW TO PLAY THE FOLLOWING TEAM BASED FORMATS

STANDARD FOURSOMES

One player tees off from odd numbered tees, the other player tees off from even numbered tees. Alternate shots are then taken until the ball is holed.

CANADIAN FOURSOMES

Both players play tee shots at every hole and afterwards continue with whichever ball they nominate with the partner playing the second stroke.

AMERICAN FOURSOMES

Both players play tee shots at each hole and then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in regular Foursomes with the OWNER of the ball selected playing the third shot.

NOTE: In any Foursomes event, if one player incurs a penalty stroke, this does not alter the order of play. In Foursome stroke competitions held over several rounds, the order of teeing-off may be changed by a team between rounds unless the Match Committee has laid down a condition of play that the original order of play must be preserved or changed through the competition. Foursomes can be played under either Stroke Play rules or Match Play conditions and Rule 22 is relevant to Foursomes.

MIXED FOURSOMES

Played as Standard Foursomes however teams must comprise of one male player and one female player. Prior to the event, the order of teeing-off is stipulated by the Match Committee in order to group tee-shots by the same gender together on each hole.

Out of Bounds or Lost Tee Shot for Mixed Foursomes: Regardless of gender, if a ball is deemed to be lost or hit out of bounds from the tee box, the ball must be re-hit from the original tee box markers, taking a penalty with the playing partner playing the next shot. The ball is allowed to be teed-up.

IRISH 4-BALL STABLEFORD

Playing as a team of four, all players play out each hole as they would in individual stableford. On the first six holes, only the best stableford score of the four players is recorded. On the next six holes (holes 7-12 inclusive) only the best two stableford scores are recorded. On the next six holes (holes 13-18 inclusive), only the best three stableford scores are recorded.

AMBROSE

A Stroke event played by teams of 4, 3 or 2 players, each player tees off, then a preferred ball is selected for each player to hit from again.

NOTE: Each player MUST have a **minimum number of their tee-shots used** and recorded on the card, failure to do so will result in disqualification.

The dropping and/or placing distance once a preferred ball is chosen is as follows:-

- **Through the Green without preferred lies:** dropped within 1 club-length of the chosen ball, no nearer the hole.
- **Through the Green with preferred lies (where applicable):** placed within 1 club-length of the chosen ball, no nearer the hole.
- **On the Green:** placed within 1 putter-head-length of the chosen ball, no nearer the hole.

As in Stroke play, this is continued until the ball is holed.
