THE PHENOM CABINETS

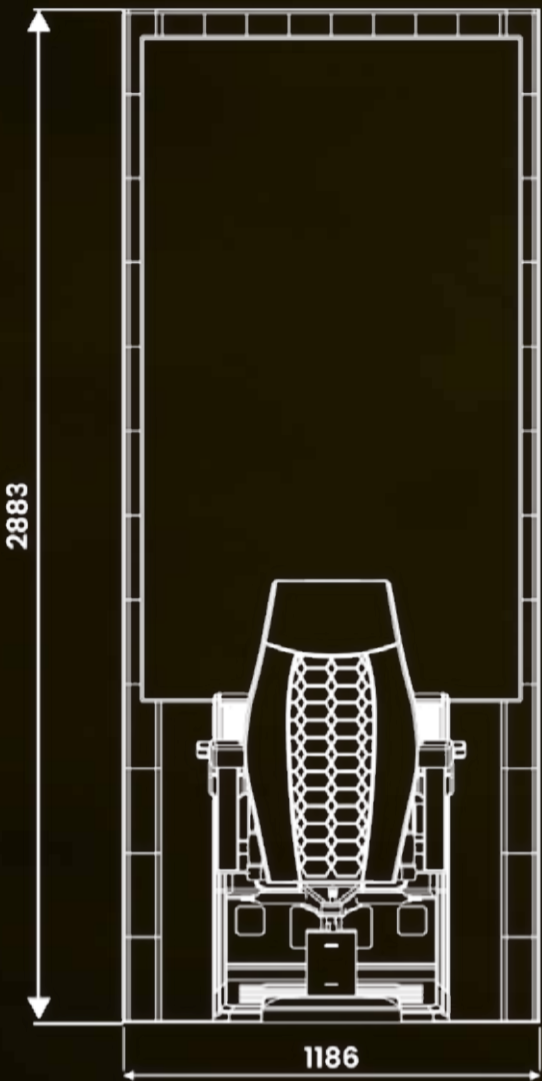

The **PHENOM cabinets** series are a unique combination of innovative solutions, flexible modular conception with elegant ergonomic design.

Reviewed by VIP slot players before release, these cabinets provide maximum gaming presence with ultra high-definition displays, a touch screen button deck, a high-quality sound system, and large start buttons that result in super-sized entertainment. The gaming content featured on the PHENOM cabinets is fully aligned with its online version, ensuring players enjoy the same gameplay experience across both land-based and digital platforms.

With fully customizable LED peripheral lighting the **PHENOM cabinets** draw attention from a distance and stand out among others.
