

## STN Information Keep & Share Program<sup>SM</sup>

### CNFULL Database

These STN Keep & Share Program – CNFULL terms and conditions are in addition to the [STN Information Keep & Share Program General Database Terms and Conditions](#). The following **CNFULL** (the “Database Provider”) use and distribution restrictions (the “Restrictions”) apply to the STN customer and its users’ (collectively, the “Customer”) use of the CNFULL Database file on STN (the “Database”). In the event of any conflict between the terms of these Restrictions and the STN Information Keep & Share Program General Database Terms and Conditions, these Database Provider terms shall control.

Any use of the Database outside the rights set forth below without the express written permission of the Database Provider is strictly prohibited. These terms and conditions are subject to change from time to time at the discretion of Database Provider and/or CAS, and such changes will be effective immediately upon notice or publication of changes.

There is a limit of 50,000 full records in this database that are allowed for display or download per calendar year per Loginid.

If customers would like to display or download more records they are required to indicate their intention in written form to FIZ Karlsruhe and Questel in order to negotiate the conditions. Without explicit agreement from FIZ Karlsruhe and Questel, the limit of 50,000 full records per calendar year and Loginid must not be exceeded.
