

STN Information Keep & Share ProgramSM

WSCA Database

These STN Keep & Share Program – WSCA terms and conditions are in addition to the [STN Information Keep & Share Program General Database Terms and Conditions](#). The following **WSCA** (the “Database Provider”) use and distribution restrictions (the “Restrictions”) apply to the STN customer and its users’ (collectively, the “Customer”) use of the WSCA Database file on STN (the “Database”). In the event of any conflict between the terms of these Restrictions and the STN Information Keep & Share Program General Database Terms and Conditions, these Database Provider terms shall control.

Any use of the Database outside the rights set forth below without the express written permission of the Database Provider is strictly prohibited. These terms and conditions are subject to change from time to time at the discretion of Database Provider and/or CAS, and such changes will be effective immediately upon notice or publication of changes.

The database producer Paint Research Association shall correct faulty data sets, in particular in the event of faulty data not allowing the customer the acquisition of the original document. Apart from this, Paint Research Association does not give any warranty relating to the data contained in the database, and shall not accept liability for damage unless damage is caused intentionally or by gross negligence.
