Statement of intent

Brigshaw Learning Partnership (BLP) and its schools believe that all pupils are entitled to learn in a safe and supportive environment. This means being free from all forms of bullying behaviour. This policy outlines what bullying is and how instances of bullying are dealt with, including the procedures to prevent occurrences of bullying.

Strategies, such as learning about tolerance and difference as part of the school's curriculum, aim to promote an inclusive, tolerant and supportive ethos at the school.

The Education and Inspections Act 2006 outlines a number of legal obligations regarding the school's response to bullying. Under section 89, schools must have measures in place to encourage good behaviour and prevent all forms of bullying amongst pupils. These measures are part of the school's Behaviour and Discipline Policy and Rewards and Sanctions Policy, which is communicated to all pupils, school staff and parents.

All staff, parents/carers and pupils work together to prevent and reduce any instances of bullying at the school. The BLP recognises that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for a pupil's wellbeing. By effectively preventing and tackling bullying our pupils can help to create a safe disciplined environment, where pupils are able to learn and fulfil their potential.

1. Behaviour Principles

- 1.1. Our approach to managing behaviour across our Schools is underpinned by our Behaviour Principles:
 - 1.1.1. All pupils, staff and visitors have the right to feel safe at all times in our Schools.
 - 1.1.2. Appropriate behaviour is the foundation upon which pupils can make the greatest progress.
 - 1.1.3. Our Schools are inclusive. All members of a School's community should be free from discrimination of any sort.
 - 1.1.4. All policies are underpinned by our Trust values of Equality, Resilience, and Integrity.
 - 1.1.5. All staff must take responsibility for applying the Behaviour Policy as required
 - 1.1.6. School rules and expectations are clearly set out and communicated at each school.
 - 1.1.7. Sanctions for unacceptable behaviour will be known and understood by all staff and pupils and consistently applied in a way which preserves dignity and respect towards all individuals
 - 1.1.8. Violence, threatening behaviour or abuse by pupils or parents towards staff will not be tolerated and will receive an immediate appropriate sanction which may be a suspension or exclusion.
 - 1.1.9. The Behaviour policy will set out the Schools' responses to inappropriate behaviour.

3. Definition

- 3.1. For the purpose of this policy, bullying is behaviour by an individual or a group over time that intentionally hurts another individual or group either physically or emotionally; that threatens or frightens; that is demoralising or humiliating.
- 3.2. Bullying is generally characterised by:
 - 3.2.1. Repetition: Incidents are not one-offs; they are frequent and happen over a period of time.
 - 3.2.2. Intent: The perpetrator(s) means to cause verbal, physical or emotional harm; it is not accidental.
 - 3.2.3. Targeting: Bullying is generally targeted at a specific individual or group.
 - 3.2.4. Vulnerable pupils are more likely to be the target of bullying due to the attitudes and behaviours some young people have towards those who are different from themselves.

4. Child on Child Abuse

- 4.1. Keeping Children Safe in Education (KCSIE) states that all staff should be aware that children can abuse other children (often referred to as child on child abuse). This is most likely to include, but may not be limited to:

- 4.1.1. bullying (including cyberbullying, prejudice-based and discriminatory bullying)
 - 4.1.2. abuse in intimate personal relationships between children (sometimes known as ‘teenage relationship abuse’)
 - 4.1.3. physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse)
 - 4.1.4. sexual violence, such as rape, assault by penetration and sexual assault; (this may include an online element which facilitates, threatens and/or encourages sexual violence) Consensual image sharing, especially between older children of the same age, may include an online element which facilitates, threatens and/or encourages sexual violence
 - 4.1.5. sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be standalone or part of a broader pattern of abuse
 - 4.1.6. causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party
 - 4.1.7. consensual and non-consensual sharing of nude and semi-nude images and/or videos¹¹ (also known as sexting or youth produced sexual imagery)
 - 4.1.8. upskirting, which typically involves taking a picture under a person’s clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress, or alarm, and
 - 4.1.9. Initiation/hazing type violence and rituals (this could include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).
- 4.2. We will take steps to minimise the risk of child-on-child abuse by ensuring pupils recognise behaviour that is not appropriate and understand how to stay safe and challenge and report unwanted behaviours. We will also regularly review the school site and school activities to further minimise the risk of child-on-child abuse occurring.
 - 4.3. We recognise that abuse can often go unreported or be reported late. We will encourage and support pupils to report child-on-child abuse to trusted adults in school or the NSPCC helpline.
 - 4.4. Most cases of pupils hurting other pupils will be dealt with under our school’s behaviour policy. However, any allegations that raise safeguarding concerns will be dealt with as outlined in the school’s child protection and safeguarding policy.

5. Types of bullying

- 5.1. Many different kinds of behaviour can be considered bullying and can be related to almost anything. Teasing another pupil because of their appearance, religion, ethnicity, gender, sexual-orientation, home life, culture, disability, or special educational needs are some of the types of bullying that can occur.
- 5.2. Bullying is acted out through the following mediums:

- 5.2.1. Verbal: Bullying another person by name calling, spreading rumours, persistent teasing or circulating unflattering drawings or photographic images of someone.
- 5.2.2. Physically: Bullying another person by pushing, jostling, kicking, hitting, pinching, spitting at or any form of violence or threats.
- 5.2.3. Emotionally: Bullying someone by tormenting, threatening, ridicule, humiliation, exclusion from groups or activities; or taking, damaging or hiding someone's property
- 5.2.4. Online (Cyber): Bullying through unwanted malicious, inappropriate communication by the use of the internet or text/picture/voicemail messages including social media and gaming.
- 5.2.5. Racist bullying: Bullying another person based on their ethnic background, religion or skin colour. Racist bullying is a criminal offence under the Crime and Disorder Act 1998 and Public Order Act 1986.
- 5.2.6. Homophobic bullying: Bullying another person because of their actual or perceived sexual orientation.
- 5.2.7. Transphobic bullying: Bullying based on another person's gender variance or for not conforming to dominant gender roles.
- 5.2.8. Sexist bullying: Bullying based on sexist attitudes expressed in a way to demean, intimidate or harm another person because of their sex or gender. Sexist bullying may sometimes be characterised by inappropriate sexual behaviours.
- 5.2.9. Sexual bullying: Bullying behaviour that has a physical, psychological, verbal or non-verbal sexual dimension/dynamic that subordinates, humiliates or intimidates another person. This is commonly underpinned by sexist attitudes or gender stereotypes.
- 5.2.10. Indirect or Manipulative: Getting someone else to tease or hit someone; ostracising a fellow pupil by refusing to sit alongside them

6. Prevention

- 6.1. All reported or witnessed instances of bullying in the school are investigated by a member of staff.
- 6.2. Staff encourage pupil co-operation and the development of interpersonal skills through the use of group work and pair work for example or seating arrangements in class may be changed and organised in a way that encourages cooperation and prevents instances of bullying.
- 6.3. All types of bullying are discussed as part of the curriculum, and diversity, difference and respect for others is promoted and celebrated through various lessons.
- 6.4. Seating arrangements in class will be changed and organised in a way that prevents instances of bullying.
- 6.5. Potential victims of bullying are encouraged to be involved with children who do not abuse or take advantage of them.
- 6.6. Opportunities to extend friendship groups and interactive skills are provided through participation in special events, for example, drama productions, sporting activities and cultural groups.

- 6.7. All members of the school community are made aware of the school's Anti-bullying Policy.
- 6.8. All staff members receive training on identifying and dealing with the different types of bullying.
- 6.9. A safe, supervised place is available for pupils to go to at lunch if they are involved in conflict with their peers, or wish to avoid a situation.
- 6.10. Teachers will also offer an 'open door' policy allowing pupils to discuss any bullying, whether they are victims or have witnessed an incident.
- 6.11. Before a vulnerable pupil joins the school, the pupil's teacher and where appropriate the SEND Coordinator will develop a strategy to prevent bullying from happening, this may include giving the pupil a buddy to help integrate them into the school.

7. *Not in our school and behaviour principles*

- 7.1. Our approach to managing behaviour across our Schools is underpinned by our Behaviour Principles:
 - 7.1.1. All pupils, staff and visitors have the right to feel safe at all times in our Schools.
 - 7.1.2. Appropriate behaviour is the foundation upon which pupils can make the greatest progress.
 - 7.1.3. Our Schools are inclusive. All members of a School's community should be free from discrimination of any sort.
 - 7.1.4. All policies are underpinned by our Trust values of Equality, Resilience, and Integrity.
 - 7.1.5. All staff must take responsibility for applying the Behaviour Policy as required
 - 7.1.6. School rules and expectations are clearly set out and communicated at each school.
 - 7.1.7. Sanctions for unacceptable behaviour will be known and understood by all staff and pupils and consistently applied in a way which preserves dignity and respect towards all individuals
 - 7.1.8. Violence, threatening behaviour or abuse by pupils or parents towards staff will not be tolerated and will receive an immediate appropriate sanction which may be a suspension or exclusion.
 - 7.1.9. The Behaviour policy will set out the Schools' responses to inappropriate behaviour.
- 7.2. BLP's "Not In Our School" initiative is a collective effort involving our pupils, staff and the broader school community. This campaign aims to address and eradicate behaviours that can be harmful to others, ensuring that our school remains a safe, respectful, and focused environment. It is designed to tackle and eliminate specific behaviours that go against our values and undermine the positive learning environment we are striving to create and maintain.
- 7.3. We actively involve our pupils in this campaign, recognising the crucial role they play in shaping the culture of our school. As part of the initiative, we recruit "Not In Our School" pupil and staff ambassadors who work together to champion the cause and promote positive behaviours among their peers. This will include curriculum materials in PSHE and Personal Development sessions, social media updates and assemblies.
- 7.4. The behaviours identified by pupils and targeted under the "Not In Our School" campaign include:

- 7.4.1. Swearing, of any kind, to anyone
- 7.4.2. Homophobic, transphobic, racist, misogynistic or any other discriminatory comments
- 7.4.3. Bullying, including name-calling of any kind
- 7.4.4. Shoving or pushing
- 7.4.5. Verbal or physical abuse towards another member of the school community.
- 7.5. We want to make it unequivocally clear that these behaviours will not be tolerated at any BLP school. We are committed to creating a school environment where all pupils feel safe, respected, and able to focus on their education.
- 7.6. Pupils can report “Not in Our School” behaviours through different means. They can speak to an adult or they can write a concern slip and drop these into dedicated “Not in Our School” boxes around school. The pastoral and safeguarding teams are notified when a concern is raised, and they will take necessary actions to address concerns promptly and sensitively.
- 7.7. Pupils who do not meet our behaviour expectations or who demonstrate these “Not in Our School” behaviours will be supported in school by staff to change mindsets, educate, and restore relationships.
- 7.8. Integrity is a core school value - we help our pupils understand how to do the right thing, always -and this will help them further understand how this applies to everyday life. Our school behaviour policy will always be followed alongside the Not in Our school initiative.
- 7.9. Our expectation is that these proactive measures, combined with the continued support of our dedicated pupils and parents, will contribute to a further reduction in behaviour incidents and foster the development of well-rounded and successful individuals.

8. Signs of bullying

- 8.1. Some of the signs that a pupil may be a victim of bullying include, but are not limited to, the following:
 - 8.1.1. Being frightened to travel to or from school
 - 8.1.2. Asking to be driven to school

- 8.1.20. Changes in appearance and/or starting to act in a way that is not appropriate for the child's age;
 - 8.1.20.1. Although the signs outlined above may not be due to bullying, they may be due to deeper social, emotional or mental health issues, so are still worth investigating.
 - 8.1.20.2. Pupils who display a significant number of these signs are approached by a member of staff, in order to determine the underlying issues, whether they are due to bullying or other issues.

9. Staff principles

- 9.1. Prevention is at the forefront of the school's Anti-bullying Policy.
- 9.2. Staff treat reports of bullying very seriously.
- 9.3. Staff do not ignore signs of suspected bullying.
- 9.4. Unpleasantness from one pupil towards another is always challenged and never ignored.
- 9.5. Staff take action immediately when they become aware of a bullying incident; this applies to all staff, not solely teaching staff.
- 9.6. Staff always respect pupils' privacy. Information about specific instances of bullying is not discussed with others, unless it is in a setting that the victim has given consent to. If the member of staff believes the pupil is in serious danger, e.g. of being hurt, they will inform a designated member of child protection staff immediately.
- 9.7. Follow-up support is given to both the victim and perpetrator following any incidents, to ensure all bullying has stopped.

10. Key Roles and Responsibilities

- 10.1. The Trust Executive team evaluates and reviews this policy to ensure that it is non-discriminatory.
- 10.2. It is the responsibility of all staff to be alert to possible bullying of pupils and to deal with incidents as the highest priority.
- 10.3. The Headteacher keeps a Record of all reported incidents, including which type of bullying has occurred, to allow for proper analysis of the data collected.
- 10.4. The Headteacher will analyse the data on bullying at regular intervals in order to identify any trends in the types of bullying occurring and implement the appropriate measures to tackle it.
- 10.5. The Headteacher arranges appropriate training for staff members.
- 10.6. A member of staff will correspond and meet with parents/carers where necessary. They also provide a point of contact when more serious bullying incidents occur.
- 10.7. Staff are alert to social dynamics in their class and are available for pupils who wish to report bullying. They also provide follow-up support after bullying incidents.
- 10.8. All members of staff ensure that they are alert to possible bullying situations, particularly exclusion from friendship groups, and that they inform the pupil's teacher of such observations.
- 10.9. All staff will avoid gender stereotyping when dealing with bullying.
- 10.10. All staff understand the composition of pupil groups, showing sensitivity to those who have been the victims of bullying.
- 10.11. All staff have a duty to report any instances of bullying once they have been approached by a pupil for support.
- 10.12. Parents/carers are advised to inform their child's teacher if they are concerned that their child may be being bullied or be involved in bullying.
- 10.13. Parents/carers should be aware of signs of bullying in your child.
- 10.14. Parents/carers should talk to their child about their school day.
- 10.15. Pupils are taught strategies to help manage instances of bullying and are advised to inform a member of staff if they encounter bullying.
- 10.16. Pupils are taught not to make counter-threats if they are victims of bullying.

11. Cyber bullying

- 11.1. The School views cyber bullying in the same light as any other form of bullying and will follow the sanctions set out in [section 11](#) of this policy if they become aware of any incidents.
- 11.2. The school will support pupils who have been victims of cyber bullying by holding formal and informal discussions with the pupil about their feelings and whether the bullying has stopped, in accordance with section 12 and section 13 of this policy.
- 11.3. In accordance with [the Education Act 2011](#), the school has the right to examine and delete files from pupils' personal devices, e.g. mobiles phones, where there is good reason to do so. This

power applies to all schools and there is no need to have parental consent to search through a young person's mobile phone. In some circumstances the school may decide to consult the police. Such action should be undertaken following the [searching, screening and confiscation guidance](#).

- 11.4. If an electronic device is confiscated by a member of staff, and there is reasonable ground to suspect that it contains evidence in relation to a criminal offence, the device will be given to the police as soon as it is reasonably practicable.

12. Procedures

- 12.1. If a pupil is injured, members of staff will immediately call for first aid for a medical opinion on the extent of their injuries
- 12.2. Minor incidents are reported to the appropriate member of staff in school, who investigates the incident, sets appropriate sanctions for the perpetrator and logs the incident and outcome.
- 12.3. When investigating a bullying incident, the following procedures are adopted:
 - 12.3.1. The victim, alleged bully and witnesses are all interviewed separately. If appropriate, the alleged perpetrator, the victim and witnesses, are asked to write down details of the incident. This may need prompting with questions from the member of staff to obtain the full picture
 - 12.3.2. Members of staff ensure that there is no possibility of contact between the pupils being interviewed, including electronic communication
 - 12.3.3. A room is used that allows for privacy during interviews
 - 12.3.4. Premature assumptions are not made, as it is important not to be judgemental at this stage
 - 12.3.5. Members of staff listen carefully to all accounts, being non-confrontational and not attaching blame until the investigation is complete
 - 12.3.6. All concerned pupils are informed that they must not discuss the interview with other pupils
 - 12.3.7. We will encourage the victim and perpetrator to agree a resolution through a Restorative Practice approach. It is important that the victim has an opportunity to outline the impact of the incident on them. This will be separate from sanctions that may also be applied for the perpetrator.
 - 12.3.8. Parents/Carers of bullies and bullied will be informed of serious incidents. These telephone calls will be logged.
 - 12.3.9. We will provide a clear strategy for managing future incidents.
 - 12.3.10. We will look at how we provide peer support and access to adult support.
 - 12.3.11. Due to the potential for sexist, transphobic and sexual bullying to be characterised by inappropriate sexual behaviour, staff members involved in dealing with the incident are required to consider whether there is a need for safeguarding processes to be implemented.

13. Sanctions

- 13.1. If the Headteacher is satisfied that bullying did take place, the pupil will be helped to understand the consequences of their actions and warned that there must be no further incidents.
- 13.2. The Headteacher informs the pupil of the type of sanction to be used in this instance (detentions, on/off-site alternative provision, exclusions, service-based activities, etc.) and future sanctions if the bullying continues.
- 13.3. Wherever possible, the school will attempt reconciliation and will obtain a genuine apology from the perpetrator as part of a restorative process.
- 13.4. The school will informally monitor the pupils involved for a period of time.
- 13.5. Other consequences such as those in our behaviour policy may take place.

14. Support

- 14.1. Following a bullying incident, the school will ensure support continues as appropriate and considers any possible impact on the educational progress of those involved.
- 14.2. If necessary, group dynamics are broken up by members of staff by assigning places in classes.
- 14.3. The victim is encouraged to tell a trusted adult in school if bullying is repeated.

15. Follow up support

- 15.1. Pupils who have been bullied are supported in a variety of ways including:
 - 15.1.1. Being listened to
 - 15.1.2. Having an immediate opportunity to meet with a member of staff
 - 15.1.3. Being reassured
 - 15.1.4. Being offered continued support
 - 15.1.5. Being offered counselling, where appropriate
- 15.2. Pupils who have bullied others are supported in the following ways:
 - 15.2.1. Receiving a consequence for their actions
 - 15.2.2. Being able to discuss what happened
 - 15.2.3. Being helped to reflect on why they became involved
 - 15.2.4. Being helped to understand what they did wrong and why they need to change their behaviour
- 15.3. Additional Support strategies:
 - 15.3.1. Pupils who have been bullied will be assessed on a case-by-case basis and if necessary, referred to the Cluster Guidance and Support Team for counselling.

- 15.3.2. In cases where the effects of bullying are so severe that a pupil cannot successfully reintegrate back into the school, the Headteacher and designated safeguarding lead will consider transferring the pupil to another mainstream school to continue their education.
- 15.3.3. Where a child has developed such complex needs that alternative provision is required, then the school and family may discuss the use of alternative provision.

16. *Bullying outside of school*

- 16.1. Schools have the power to discipline pupils for misbehaving outside of the school premises. This can relate to any bullying incidents occurring anywhere off the school premises, such as on school or public transport, outside the local shops, or in a city, town or village centre.
- 16.2. Where bullying outside school is reported to school staff, it is investigated and acted on. In all cases of misbehaviour or bullying, members of staff will discipline the pupil on school premises, or elsewhere when the pupil is under the lawful control of the member of staff eg. on a school visit.
- 16.3. The Headteacher has a specific statutory power to discipline pupils for poor behaviour outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives the Headteacher the power to regulate pupils' conduct when they are not on school premises, and therefore, not under the lawful charge of a school staff member.
- 16.4. The Headteacher is responsible for determining whether it is appropriate to notify the safer schools police officer.
- 16.5. If the misbehaviour could be of a criminal nature, or poses a serious threat to a member of the public, the police will be consulted.

17. *Complaints*

An individual wishing to make a complaint about anything relating to this policy should refer to the BLP Complaints Policy published on the BLP Website.
