"A Dream Is A Wish Your Heart Makes..."

With all this horrible weather out there we thought **CWCF** would bring you some wholesome cheer that will put a **smile** on your face and most certainly warm your heart!

October brought us **SO** much joy at CWCF HQ and one of the biggest 'joys' of the whole year was when we had our **25 year anniversary ball** for our families!

It was truly a night to remember as all our families got together to party the night away and the main goal was **FUN**... which (as you can see from the pictures) was well and truly ticked off the list!

The room at the East Sussex National Golf Resort & Spa was transformed into a magical wonderland, filled with laughter, joy, and love. We had **EVERYTHING** you can think of ... Horse and carriage, princesses and super heroes galore, beautiful bagpipes filled the air. It was pure MAGIC!

“The ball was THE best day we have had in forever and we had so much fun! Hanging out with my family with all the fun things going on was AMAZING!!!! Thank you CWCF!!!!”
- One of the Children we support said!

Talking of magic, we had an amazing Magician, balloon modeller, family casino, Photo Booth, audiobook and sweet cart all available for our families to add to the party atmosphere!

And no party is complete without amazing performers (and we had that in abundance!) with an incredible band, acoustic guitarist and not forgetting the best DJ in the land!

Wishes

This incredible wish was arranged for a sibling of a poorly child. It's heartwarming and will definitely put a smile on your face!

Here at Children with Cancer Fund we support the WHOLE family not just the diagnosed child. We believe that everyone in the family deserves a wish granted, as from the day of diagnosis the whole family suffers in their own way and definitely needs a pick me up in those hard times!

If you would like to donate to making these wishes come true please click below...
