

YOU COULD MAKE A DIFFERENCE IN 2024

**HAPPY
NEW
YEAR**

Happy New Year to you all!

As we step into January you maybe thinking about new years resolutions or changes to your life. After all January is the season of change right?

What could be more important than changing the lives of a family who are faced with childhood cancer?

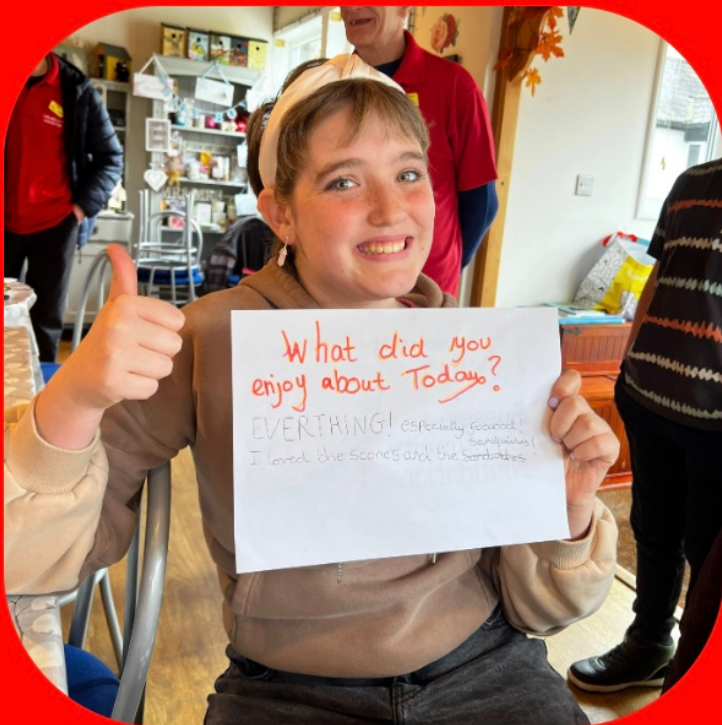

With your support Children with Cancer Fund could do so much for the families that we currently support across East Sussex, Brighton & Hove.

WE NEED YOUR HELP

MEET MAISIE...

Maisie was diagnosed with Osteosarcoma 2 years ago and has been through gruelling treatment including 2 major surgeries, 6 rounds of chemotherapy and 33 sessions of radiotherapy. Maisie and her family have been supported by CWCF throughout her entire treatment.

Maisie and her family are only one of 139 families currently being supported by Children with Cancer Fund across East Sussex, Brighton & Hove.

With your donations we were able to grant wishes for Maisie and her family, invite them to family events, help them with a parking permit for the London hospital Maisie had to attend to have her life saving treatment.

"Without the help of CWCF - me and my family would not have made it through it all! Their support meant the world to us & going to the family events has meant we can speak to families who understand and THAT is just so important when going through this!" - Maisie

WITHOUT YOUR DONATIONS WE WOULDN'T BE ABLE TO DO WHAT WE DO FOR THE FAMILIES WE SUPPORT!

MAISIE HERE**

WAYS IN WHICH YOU CAN HELP...

Become a Dream Maker...

You can join the ultimate 'dream team' by signing up to the Children with Cancer Fund '25 dreams' campaign by donating £25 per month which will provide CWCF with a huge amount of support for our families...

[FOR MORE INFO CLICK HERE](#)

DONATE

Making a donation no matter how BIG or SMALL means HUGE things to us here at a local charity like us!

Your donation will go towards fun things like a child's wishes, events for the whole family as well as things that are 'not so fun' but very important like travel & expensive parking permits for vital treatment.
