## April showers bring May flowers

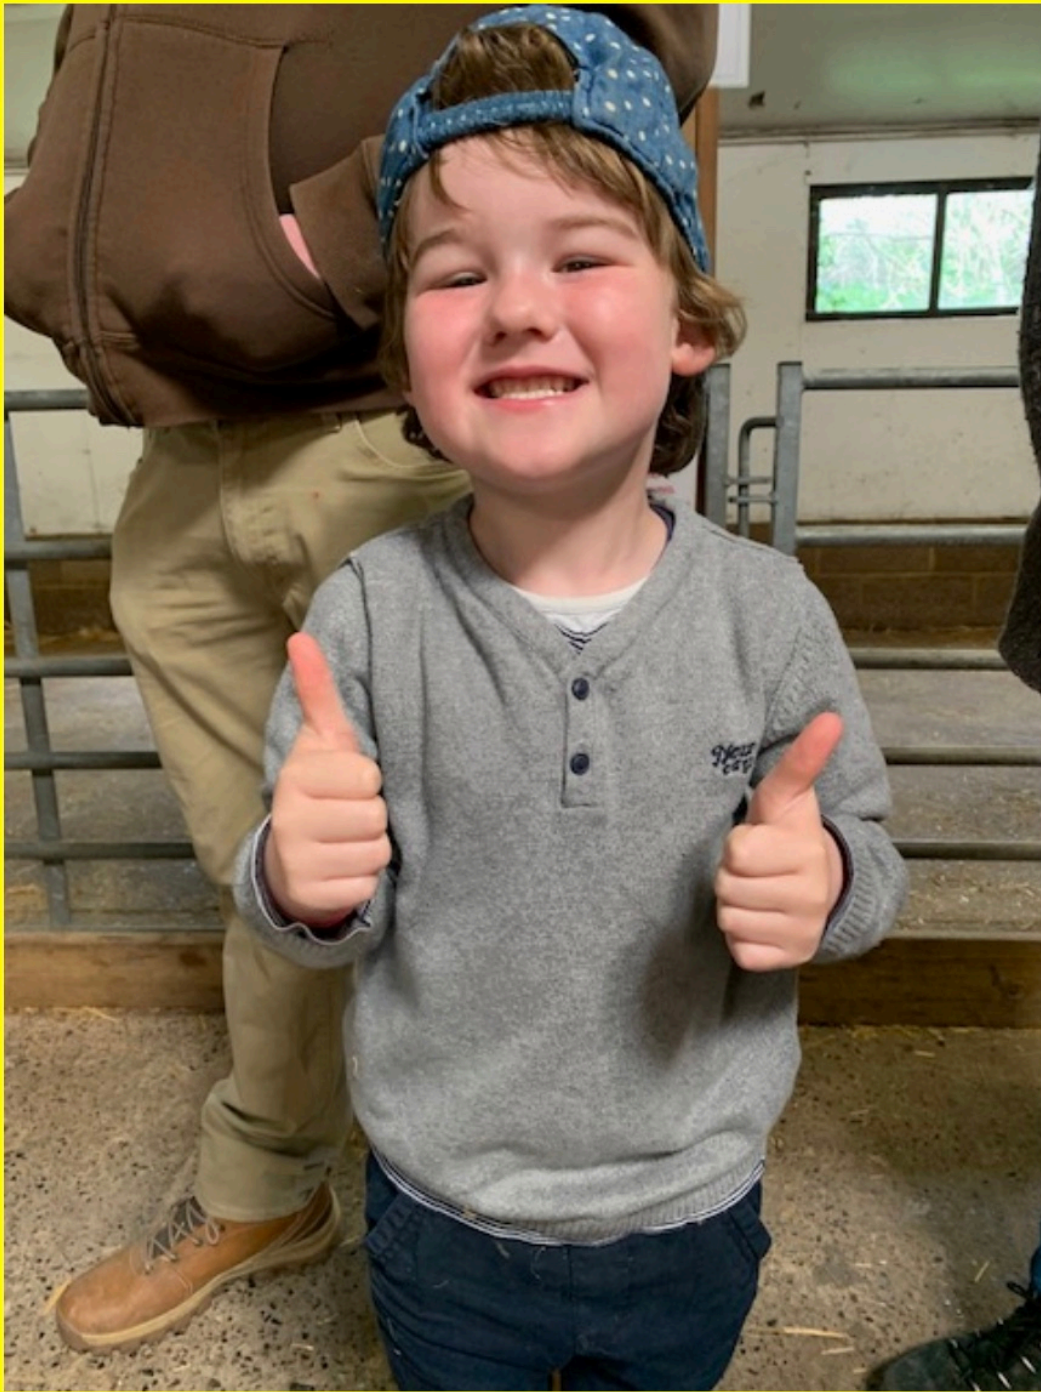

Despite a rainy month we managed to make the sun shine here at Children With Cancer Fund. We had a month of fun and smiles. We hope May brings even more sun and laughter.

## Family Events

**Middle Farm**

On Saturday 13th April we took our families to Middle Farm for their Lambing Event! During their time at Middle Farm our families got to experience feeding the lambs which was so lovely to see. They also had free roam of the farm and play areas before and after the lamb feeding. The families were gifted drink tokens to exchange for a drink of their choice. For lunchtime the families all joined together for a picnic and Easter Eggs.

Here's some feedback we had from the event:

*"The weather helped make it the perfect family morning"*

*"It was lovely to see everyone. It was really clear where to meet and what was happening when"*

*"CWCF are amazing. The day was epic. Loved playing in the barn with friends"*

Thank you to Lewes District Council to sponsoring this event.

**Arlington Bluebell Walk**

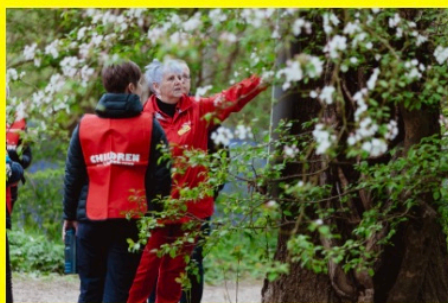

We had a wonderful time on Tuesday at Arlington Bluebell Walk. Thank you to everyone who came along for some tea and cake and joined us on a wander around the bluebells.

A huge thank you to Stears Photography for these beautiful pictures and a massive thank you to all our volunteers who helped make the day magical. We love and appreciate all of you.

We will be announcing the final total raised on our social media soon so keep an eye out!

## Volunteer Hero

We wanted to take a moment to shoutout and thank one of our wonderful volunteers Janice. Since joining us in 2019 Janice has cleaned and gift wrapped 2,342 teddies for us!

Janice unfortunately will be stepping down as a volunteer, we're gutted to see her go! Thank you so much for your years of service and all the support you have given us!

This does however mean we are after some more volunteers to help clean up and gift wrap teddies for us!

## Wishes

This month we granted wishes for an entire family! It's important to us that everyone in the family is supported and feels seen during these times. No one should be left without a wish. This family really appreciated their wishes and it's all thanks to those who donate and support us. This families wishes included: Harlequin Rugby tickets, London Theater tickets, spa day, shopping vouchers and a whole family activity day at Snowzone.

*“The most amazing thing for us is to have some fun and happiness to plan for and look forward to...”*
