Sizzling Summer ☀️

The summer has certainly turned the heat up this month ☀️ Thank you to all of our amazingly dedicated volunteers who have continued to turn up for CWCF despite the heat. We couldn't do what we do without you!

Family Events 💖

Knockhatch

We had a simple wonderful day at Knockhatch at the beginning of the month. We took a group of over 100 to enjoy a day of play, animals, food, and friendship.

Despite the heavy rain in the afternoon, we made the most of the day and didn't let the weather dampen our spirits! The kids climbed, swung and slid their way around the numerous indoor play areas and what was truly wonderful was seeing how they always found a friend, or 10, around every corner.

While the children played, the adults had the space and time to properly relax and catch up with friends of their own. That time to fully relax is crucial for emotional wellbeing and to give our parents and carers the strength to guide children with cancer along their difficult journey.

At the end of a wonderful day, we had one last treat for the children in the form of a present from the gift shop and it was a real joy to see the families leaving with big smiles on their faces 🎁😊

Days like these aren't only a fun day out for our families, they are vital opportunities to recharge, make friends, and form memories away from the hospital walls. Thank you to our wonderful sponsors Wellesley Charitable Foundation, Tesco, BBC Children in Need and Wealden District Council for making it all possible 🙏

Wishes 🌟

The wishes have been coming thick and fast - and so have the smiles.

The wishes we granted to this family were timed perfectly to enable them to make the most of the summer over the coming months 🌟

C received a Peppa Pig house and he and all his siblings were also gifted a lovely play centre for them all to enjoy in the garden, while his siblings also all received another personal gift. Mum and Dad received a BBQ for the garden, as well as shopping vouchers for Mum and fishing vouchers for Dad.

Going through childhood cancer treatment means lots of time spent in hospital and missing out on normal family experiences. These wishes bring the fun home 🌟 Now, they can spend this summer creating beautiful, memory-filled moments together in the safety and comfort of their own garden.

We are all wishing this wonderful family the happiest and most fun-filled summer ever 🌟

Garter Day 👑

In June, representatives from Children with Cancer Fund were thrilled to make their way to Windsor Castle to view the annual Garter Day procession.

It was a real honour to attend such a prestigious occasion and the excitement began building as soon as we stepped into the grounds of Windsor Castle.

We had a great time watching the procession, but more than anything else it was wonderful to spend the day together as a team, getting to know each other better and making stronger connections 🤝

Beating the Bounds 🏃

One of our incredible Dads, and a team of friends, recently took on an amazingly tough challenge by Beating the Bounds of Chailey.

The team have managed to raise an unbelievable amount - over £30,000 - to be shared between CWCF and Finley's Touch, another amazing charity supporting families facing childhood cancer.

Their dedication and commitment to CWCF has been outstanding. We are so grateful to them. This huge amount will make a big difference in the work we are able to do to support even more families ❤️

New Dream Maker ❤️

We are thrilled to welcome Jasmin of M S Steelworks to our team of incredible Dream Makers.

Her generosity in donating £26 per month to the children and families we support will make a big difference. £26 may sound like a small amount, but every small amount we receive adds up to something amazing ❤️

What's Coming Up

Could You Be One Of CWCF's Dream Makers?

Childhood cancer remains one of the most devastating diseases affecting children worldwide. The emotional and financial toll it takes on families is unimaginable.

We would love to sign up **26 Dream Makers in 2026** to enable us to do even more to support families on their immensely difficult journey with cancer and allow them to focus on joy instead of illness.

To become a Dream Maker, we are asking you to commit to a monthly donation of just **£26** to Children with Cancer Fund. By donating this amount, you will become an integral part of our mission to support families battling childhood cancer, from diagnosis, throughout treatment, and beyond.
