I would like to **receive** a package

If you can't celebrate Sinterklaas this year due to illness, death, financial reasons, or any other reason, Secret Sint to the rescue.

Registration opens early October. Request a package on our website, for yourself or another family who could use it. After our team assesses your application, we will match the family with a Secret Sint. You will receive notification of your match no later than November 1st.

Secret Sint will work on putting together a wonderful package for the family, so you too can celebrate Sinterklaas. Because Sinterklaas is a celebration for EVERY child.

I would like to **give** a package

Would you like to be Secret Sinter this year and surprise another family, who for whatever reason can't celebrate Sinterklaas, with a complete Sinterklaas gift package? Registration opens early October.

Based on the information we provide about your family, children, ages, interests, etc., you'll get started. You'll buy all the gifts yourself, wrap them, and mail the gift package to the family.

What should it contain? It should definitely include something fun, something tasty, and something useful. You can add whatever you like. Visit the website for tips.
