

Summer Camp 2026

Into the wild, together!

Experience our world

At Beau Soleil, summer means **FUN (and growth)**! Our recipe for success brings together campers aged 8–17 from around the world, an exciting mix of activities and challenges, and engaging language lessons to create the ultimate summer experience.

We offer **two exciting programmes**:

- **Classical Camp (5 July - 1 August)** – a balanced programme combining language lessons with a wide range of **mostly outdoor activities** designed to discover the beauty of our surroundings. Campers explore the **mountains, lakes, and alpine trails** through sports, adventures, and creative challenges.
- **Odyssey Week (2 - 9 August)** – an action-packed experience without language lessons, where campers choose from three thrilling themes: **Water, Mountain, or Sky**.

To make sure every camper enjoys the most from their stay, we divide them into **three age categories**:

- **Juniors (8–10 years)**
- **Teens (11–13 years)**
- **Seniors (14–17 years)**

Activities are carefully adapted to suit each age group, ensuring the right level of challenge, fun, and learning for everyone.

Set in the heart of the Swiss Alps, we take full advantage of our spectacular surroundings and safe, clean environment, while introducing campers to the unique culture of Beau Soleil - here, it's what you do that counts. International friendships are built, confidence flourishes, and campers leave with just one wish: to return again. :)

At the core of every experience are Beau Soleil's values of **Respect, Responsibility, Ambition and Determination**, guiding campers to grow not only in skills but also in character.

*The Odyssey Week follows a structured daily schedule, with breakfast and dinner on campus. During this week, campers will participate in extended activities and will not have morning classes. Instead, they will take part in one theme-related activity each day and enjoy cultural experiences either before or after their activity. While bedtime will remain consistent, wake-up times may vary, depending of the day.

Odyssey Week Programme

Odyssey Week is a one-week, action-packed adventure designed for campers to discover new experiences and test their limits. Campers choose their theme in advance: Water, Mountain, or Sky - with Sky reserved for ages 14 and up, while Water and Mountain are open from age 8.

Each day brings new challenges and adventures, with no language lessons, so campers can fully immerse themselves in their chosen theme.

Examples of activities by theme:

- **Sky (14+ years)**: Bodyflying, paragliding, skydiving, bridge swing
- **Water (8+ years)**: Waterskiing, surfing on an artificial wave, kayaking, rafting
- **Mountain (8+ years)**: Glacier hiking, ziplining, hot air balloon flight, high ropes course

Every activity is designed to build **confidence**, **teamwork**, and **resilience**, while giving campers an unforgettable taste of adventure in the Swiss Alps.

While campers pick their daytime Odyssey adventure, every evening is about coming together as a **community** and enjoying **themed evenings** such as **Gala Night**, **Karaoke Night** and a **Pool Party**.

Odyssey Week is perfect for those looking for a high-energy, thrilling summer experience.
