The woman on the right is wearing a purple tank top, a white Adidas cap, and a black camouflage skirt, holding a blue and white tennis racket. SENIOR PROGRAM +

AGES 13-16

At LAS Summer in Switzerland, we believe every student deserves a program that matches their developmental stage. That's why we offer distinct Junior and Senior programs.

By grouping students by age, we can tailor experiences to their specific needs: sparking imagination and play in younger campers while encouraging independence and growth in older ones. This intentional design ensures that every student is engaged, supported, and thriving.
