COACHING

360° TENNIS

Players are assessed and grouped by ability. Each group's programme is customised to maximise individual skill progression. Working on a maximum 1:6 ratio, coaches use demonstration, practice and detailed feedback to provide players with insight into their technique and how to improve.

RAISE YOUR GAME

Advanced players are challenged technically, tactically and physically while developing players learn to master grip, spin, movement, and consistency. Alongside short-set matches and challenges, fitness and conditioning drills are used to improve footwork, balance and speed.

PLAYER WELFARE

Caring for your child on camp is our number one priority, so we pride ourselves on hiring the right people to ensure a safe and supportive environment.

HOME FROM HOME

Nothing is more important than the safety and well-being of every child on camp. We have an exceptional on-site welfare team at every venue, who provide round-the-clock care at a personalised 1:6 staff to player ratio. Each venue is overseen by a highly experienced Camp Director, who leads the welfare team to ensure the safe and secure operation of the site. Our staff are dedicated to helping players feel at home, make friends, and enjoy their experience. They are selected and trained to uphold the highest standards of child welfare and safeguarding.

As well as our outstanding welfare team, we have on-site medical staff including nurses and physiotherapists with a doctor on call, ensuring every player is supported both physically and emotionally.

INTERNATIONAL EXPERIENCE

At the heart of Nike Sports Camps is a vibrant, international community, with players joining us from more than 100 countries around the world. This diversity is one of the aspects of camp we are most proud of, giving young players the opportunity to form friendships, share experiences and connect with peers from cultures and backgrounds different from their own.

Being part of such a diverse community offers benefits that extend beyond sport. Players develop confidence, communication skills and cultural awareness, while being exposed to different perspectives and styles of play. For international players looking to improve their English, camp also provides an immersive language environment. English is spoken throughout, with players naturally building their confidence and fluency as they communicate with staff and players from around the world.

MOBILE PHONES

UNPLUG ON CAMP

We recognise the pressure that digital overload and social media can place on young people today. Our camps offer a valuable opportunity to unplug, creating an environment where players can step away from screens and focus on real-world friendships and experiences.

To help players switch off and fully engage with camp life, we use a structured mobile phone policy that limits screen time to designated windows each day. By creating space away from the constant noise of the digital world, players can be more present, build meaningful connections and fully immerse themselves in the experience – making memories for life.

CAMP VALUES

At the heart of everything we do on camp are our values:
Drive, Resilience, Empower, Adapt, Mentor and Success
– which together form DREAMS

WHERE DREAMS ARE MADE

Our values are designed to equip players with the qualities and skills to thrive both in sport and life. Each day of camp is built around one of these values, shaping the focus of coaching sessions, afternoon workshops, and English lessons. Together, players will explore what these values mean and how they can embody them while on camp and carry them forward long after they leave.

DRIVE
Give your best effort
in everything you do

RESILIENCE
Be brave enough
to step outside
your comfort zone

EMPOWER

and share positive energy

ADAPT

in order to grow

ENGLISH TEACHING

WHAT TO EXPECT

Classes focus on sport, harnessing students' passion for the subject to promote language learning in a fun and interactive environment. Using the CLIL (Content and Language Integrated Learning) model of English, qualified teachers infuse language learning into lively and active classes where sports-based projects, discussions and activities take centre stage.

Teachers guide students to improve their verbal communication skills while discussing legendary players, interviewing coaches, or writing and speaking their own match commentary. Learning is supported by English teachers living on-site and English is spoken at all times throughout the camp, creating an immersive learning environment.

HOW IT WORKS

Students are grouped into classes based on a combination of age and ability. They complete a short online assessment before the camp starts and then speak with a teacher on arrival to ensure they are correctly placed for their level. At the end of the camp, each player receives a written report and advice on how to continue their learning at home.

WHAT'S INCLUDED

-  **UP TO 13 HOURS OF ENGLISH LESSONS PER WEEK**
-  **1:12 TEACHER TO STUDENT RATIO (AVERAGE)**
-  **INDIVIDUAL REPORT**

WORKSHOPS

WHAT TO EXPECT

Players taking the Total Sport option follow a series of workshops based on the DREAMS curriculum. They are introduced to a range of topics designed to give a broader view and better understanding of athletic performance, and what it takes to succeed on and off the court. They also follow a series of recovery exercises, such as yoga, helping players manage the workload of training twice a day.

LIFE ON CAMP

Camps are action-packed with sport, learning and meeting friends from around the world. Camp life is designed to provide a fun and supportive environment for players to grow in skills and confidence.

ACCOMMODATION

Players stay in boarding houses on campus based on age group, with boys and girls in separate houses. All houses have a communal players' lounge for relaxing during downtime. Some boarding houses have single bedrooms only. Where houses have shared bedrooms, we may be able to accommodate roomshare requests.

DIET, NUTRITION AND HYDRATION

Meals are nutritionally balanced and designed for young athletes. There are a variety of options to choose from, including a vegetarian option. Welfare staff guide each player to ensure they are eating and drinking enough of the right foods during the camp. Coaches ensure players drink plenty of water during training sessions.

MEDICAL AND INJURY

Medical staff are available each day to monitor illness, medical conditions and dispensation of medication. Further support and advice is provided by an on-call private doctor. Sports therapists or physiotherapists are present during sports sessions in case of injuries and subsequently to advise on recovery.

HOMESICKNESS

Settling into camp is a big step, and for many players it's their first time away from home. Our schedule gets everyone active and making friends from the moment they arrive, so homesickness usually eases after the first day. Experienced welfare staff are on hand for extra support, and we ask parents to limit contact early on to help their child settle.
