Headgrower

The Headgrower App up to 99 greenhouse controllers per site. You can control and monitor all your greenhouses in one convenient place.

The main screen shows a list of all your greenhouses and once selected, you can check and change settings for each house.

Owners can grant permissions for different users, with different modes available: View Only, Edit, and Admin. Look for more great features as we continue to make improvements!

Features

- Push notifications, phone calls or text message alerts when problems arise.
- User friendly layout for easy monitoring
- Monitor current greenhouse conditions and remotely adjust as needed
- Reports and graphs available for analysis of greenhouse conditions
- Various user modes: View Only, Edit, and Admin
- Monthly and annual subscriptions available
- One month free trial available

Subscription Tiers

Subscriptions are priced based on number of controllers connected to the plan. Higher tiers are based on number of controllers and reduce the per-controller price.

Billed Monthly <input checked="" type="checkbox"/> Billed Annually
