

We support the

ndis

JOBLINKplus

Registered NDIS Provider

We can provide assistance with:

School Leaver Employment Support (SLES)

School leavers are offered individualised and tailored support after finishing school, helping to develop work-ready skills & confidence. Work experience opportunities are explored based on your interests.

Workplace Assistance

We work with you and the employers to help prepare, find & maintain jobs. Support in the workplace if required.

Plan Management

We will work with you to manage, monitor and understand your NDIS budget and pay providers for services delivered.

Community Participation

Assistance to Access Community, Social & Recreational activities of your choice.

Support Coordination

This involves working with you to understand the funding in your plan and how to identify what to expect from services. We also help you to strengthen your ability to design & build your supports.

Driver Training

Driving lesson support can be provided based on an Occupational Therapy assessment.
