

# UNSIGNED.

*wine + spirits*

**You are invited** to meet us at Vinexpo Asia.

At UNSIGNED, you'll find **20 exhibitors from many different countries**, all looking for distribution in **Hong Kong and beyond.**

Our commonality is we are looking for distribution in at least 3 of the countries visitors come from to Vinexpo Asia.

UNSIGNED is one of the most exciting features of Vinexpo Asia - all these fabulous producers together in one place - helping to make your selection of new wines and spirits as easy as possible.

To see more about who is exhibiting visit:  
**[www.winesunearthed.com](http://www.winesunearthed.com)** where, as well as information about the producers, you'll also find details of business size and production methods.

See you there!
