

HIDDEN HARBOUR REFUSE INFORMATION

As a private community in Springfield Township, we contract privately for refuse pickup. The Homeowner's Association's current contract is with Stevens Disposal. Here are the details of this service:

1. General household refuse is picked up on Thursday. This is included in your Association Fees.
2. Refuse must be in the container provided by Stevens Disposal. Up to two (2) totes are provided at no monthly service charge to the homeowner, with the exception of a \$30 delivery charge.
3. In order to keep our neighborhood clean and appealing, we ask that refuse be put out no earlier than the night before, preferably after dark.
4. A recycling service and yard waste disposal service are available through Stevens Disposal, at the homeowner's expense. Please contact Stevens Disposal directly to set up an individual recycling and/or yard waste disposal service.
5. In any week that has a legal Federal Holiday, household refuse, yard waste and recycling pickup days are delayed by one day. (New Years, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas)
6. ****If your Association fees are not paid within 90 days after billing, your refuse service will be terminated.**
7. ****We do not have any "unlimited pickup" days in the neighborhood.**
8. ****We do not have any curbside leaf pickup services in Hidden Harbour.**
9. Any changes to the refuse pickup program are communicated to Homeowners by email. If you have questions or problems with your refuse pickup, contact Erin Osstifin at propertymanagererin@gmail.com or (419) 392-7931.
10. If you have any further needs/issues regarding the refuse pickup program in Hidden Harbour, please correspond by email to the Administrator, Erin Osstifin at propertymanagererin@gmail.com or call her at (419) 392-7931.
