# WHY MANIAX

**MANIAX**  
**AXE THROWING**

## AUSTRALIA'S FIRST AND LARGEST AXE THROWING EXPERIENCE

MANIAX is a member of the International Axe Throwing Federation (IATF), a worldwide organisation that promotes universal safety, fair play and sportsmanship.

By investing countless hours perfecting safety protocols, and by using only the highest quality materials, our venues are without a doubt some of the safest in the world. Our lanes are in line with safety guidelines set by the International Axe Throwing Federation. There is wire fencing in between each target & woodchips placed beneath the targets to slow any stray axes.

Each participant receives a safety briefing at the start of the session plus coaching throughout to ensure safe throwing at all times and ensure every thrower hits a bullseye! We've welcomed over 1 million people through our doors in 12 years with no significant AXE-idents beyond a splinter!

Risk Assessment documentation is provided to all schools as part of their booking.
