SAFETY AT MANIAX

MANIAX
AXE THROWING

By investing countless hours perfecting protocols and by using only the highest quality materials, our venues are without a doubt some of the safest in the world.

We have the highest ratio of Axe Throwing Coaches to participants – that means that each person receives a safety briefing plus has a dedicated person giving feedback on their technique and a keen eye on making sure your group is safe at all times.

MANIAX is also a member of the International Axe Throwing Federation (IATF), a worldwide organisation that promotes universal safety, sportsmanship and competitive protocol.

We've had over 1 million people through our doors across Australia, which equates to approx 40 million axes thrown!

All this with no significant AXE-idents beyond a splinter.
