01 WHAT MAKES ZENHR TOP-RATED?

ZenHR topped Capterra's list of the **Top 5 Rated HR Software** for small businesses in April 2023, scoring an impressive **4.6 overall** and **4.8 for ease-of-use**. Its high ratings come from verified users across MENA, who highlight its reliability, stability, and user-centric design.

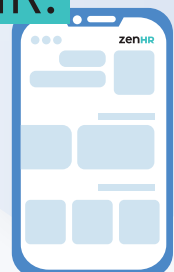

02 CORE FEATURES & MODULES

What Makes ZenHR Stand Out?

ZenHR isn't just a basic HR system; it's an all-in-one platform designed to simplify and automate every stage of the employee lifecycle, with powerful features that save time, reduce errors, and help HR teams focus on **what matters most: people**.

Here's what you get when you use ZenHR:

- Payroll Management
- Attendance & Time Tracking
- Employee Self-Service (ESS)
- Recruitment with ZenATS
- Performance Management
- Onboarding & Offboarding
- HR Letters & Document Center
- Approvals & Workflows
- Mobile App

Payroll Management:

Fully Automated and Compliance-Ready

ZenHR's payroll module handles complex calculations in seconds, salaries, deductions, overtime, and end-of-service benefits, while ensuring compliance with local labor laws across the MENA region.

INTEGRATION HIGHLIGHT: Connect payroll with accounting platforms like QuickBooks, Xero, and SAP Business One for seamless financial workflows.

Attendance & Time Tracking:

Real-Time, Location-Aware, and Hassle-Free

Say goodbye to manual logs. With ZenHR, employees can clock in via mobile, web, or even by scanning QR codes. Managers get instant visibility on late arrivals, overtime, and shift adherence.

INTEGRATION HIGHLIGHT: Real-time sync with ZKTeco biometric devices and mobile geofencing.

Employee Self-Service (ESS):

Empower Employees, Reduce HR Requests

Employees can submit leave requests, view payslips, update personal info, and access company documents, all from one intuitive dashboard or mobile app.

ESS dramatically cuts down on routine HR queries, saving your team hours every week.

Recruitment with zenATS:

AI-Powered Hiring, End-to-End

ZenHR integrates with ZenATS, our applicant tracking system, to help you manage everything from job posting to hiring in one place. Use AI tools to filter CVs, track candidates, and match roles to departments in ZenHR with a click.

Performance Management:

Align Goals, Track Progress, Give Feedback

Build a culture of continuous improvement. ZenHR lets you create evaluation cycles, set goals, assign KPIs, and gather feedback to drive employee growth.

Link performance results to learning and development with integrations like Classera for personalized training plans.

Onboarding & Offboarding:

Streamlined from Day One to Done

Easily onboard new hires with automated checklists, digital document signing, and welcome kits. Offboard exiting employees just as smoothly, ensuring compliance and knowledge transfer.

HR Letters & Document Center:

Organized, Branded, and Paperless

Create HR letters (salary, bank, embassy, etc.) using pre-designed templates with dynamic fields. Store and manage all documents in one secure, searchable digital vault.

Approvals & Workflows:

Custom Automation for Every Process

Set multi-step approval chains for any request type, leave, loans, overtime, asset issuance, and more. Eliminate bottlenecks and keep your team moving.

Mobile App: HR in Your Pocket

The ZenHR mobile app gives employees and managers real-time access to requests, approvals, attendance logs, and more. Whether you're in the office or remote, your HR system is just a tap away.
