

Park Church Mission: Growing in Jesus’ Love

To be a welcoming and caring faith community where lives are transformed through the love of Jesus.

September Core Value: We are a Church that Supports Children and Youth.

We value being an inter-generational church that works together to build up the faith of all ages. We promise to teach children the ways of the Lord. We invest in the next generation and develop their faith by having them meaningfully involved in the life of the church. We support both our local public schools and Christian education.

Equipping for Mission

The Park Elders have decided to host a special class after worship on September 20. This class, lead by local expert Pastor Ren Broekhuizen, is designed to try to equip our congregation to make disciples. Hope to see you there!

Julie Fox has asked for prayers during her grieving process. Her twin sister, Nancy, died suddenly at the end of May this year, and the past few weeks have been particularly difficult for Julie.

Pray that an abundant harvest will be produced as more people learn about the love of Christ.

Traditional Church Calendar-

In the traditional church calendar, we are currently in the season called "ordinary time", which begins after Pentecost Sunday and continues until Advent. It is the longest part of the church calendar, lasting about 6 months. The color of ordinary time is green, because it is focused on life and growth. You might notice the green banners in our worship center that we use during ordinary time.
