Voucher Provider Submission

1. Submission Form (required)
   - **Capability** overview
   - **Milestone** definition
   - **Price** of capability being provided
     *Note: ENWX will directly reimburse the voucher provider for the work they have completed on behalf of the voucher recipients.*

2. Sample Work Product (optional)

   **Goal:** Demonstrate you have a specific, competitive, and sought after capability that voucher recipients need for advancement
Submission should showcase:

<table>
<thead>
<tr>
<th>Relevance</th>
<th>The support you offer is relevant to the voucher opportunity you are applying to.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Specificity</td>
<td>Your capability overview is clear, specific, and includes verifiable milestones and realistic timeline(s). Articulate what you will do, when, how, and what voucher recipients should expect after working with you. The capability overview is your marketing material to attract voucher recipients.</td>
</tr>
<tr>
<td>Direct and demonstrable experience and expertise</td>
<td>Show you have clear expertise and experience in the technology area you are applying to. Showcase similar work you have done in the past, any equipment or capability you have, access to any relevant facility, etc.</td>
</tr>
<tr>
<td>Price competitiveness</td>
<td>Your price is reasonable and competitive.</td>
</tr>
<tr>
<td>Alignment with Justice 40</td>
<td>Show commitment to Justice 40/DEIA goals. Include in your application evidence of your commitment to support a diverse, inclusive, and just clean energy industry.</td>
</tr>
</tbody>
</table>
### General Information

General information about the entity including points of contact and applicable identifiers – ensure consistency between Capability Submissions

### Provider Capability Overview

Specific questions on the capability, including applicable tech area(s), milestones, price

### Entity Classification

Classification of entity, including minority/women/veteran owned, domestic entity, etc. and certifications
Provider Capability Submission

- Carefully read all instructions and help texts.
- Be as specific as possible – clearly describe the inputs and outputs (milestones/deliverables) of the voucher project to set expectations and facilitate matchmaking.
- If applying with more than 1 capability to a Voucher Opportunity (max 3 per VO) please provide consistent responses with regards to organization name, qualifications, and credentials.
  - Capability Titles and Short Descriptions should clearly differentiate related capabilities from the same provider.
- If the application needs to be completed at a later time, make sure to press “Save Draft” to avoid losing your progress.
- Do not include any confidential, proprietary, or privileged information in your submission.

<table>
<thead>
<tr>
<th>Milestone</th>
<th>Milestone Description (≤20 words)</th>
<th>Milestone Verification Process (What, How, Who, Where?)</th>
<th>Completion Date (# of weeks or months after start of project)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mid-point Milestone</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Final Milestone</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Sample work products (optional)

- Voucher provider submitters have opportunity to attach up to 3 sample work products to showcase their capabilities and quality.
- Sample work products should be similar to the products detailed in the capability overview section and be relevant to the potential voucher recipients who may seek that support.
- Example products include:
  - final assessment reports for clients who are similar to potential voucher recipients
  - validation test reports or certification documentation
  - presentations produced to help jurisdictions with permitting
- Submitters should be sure to not include or redact any business sensitive or proprietary information.
