

Book Donation Policy:

You must call (903-882-1900) in advance to make arrangements to drop off book donations. Never leave any donations on the outside of the library or in the book drop!

Since donations are processed by volunteers, donations are limited to 6 containers per week based on availability of work space/volunteers. It may be necessary to donate at another time.

Books must be in good/used condition (no mold, water damage or disruptive scents i.e. cigarette smoke).

We do not accept puzzles, magazines, DVDs, newspapers, or dictionaries.

We have a Homeschool Swap Area in our library and welcome homeschool curriculum!

Come check out what we have for sale in the back of the library; there's something new each week! All proceeds go back to our library!
