SUMMARY OF KEY POINTS This summary provides key points from our Privacy Notice, but you can find out more details about any of these topics by clicking the link following each key point or by using our table of contents below to find the section you are looking for. What personal information do we process? When you visit, use, or navigate our Services, we may process personal information depending on how you interact with us and the Services, the choices you make, and the products and features you use. Learn more about personal information you disclose to us. Do we process any sensitive personal information? Some of the information may be considered "special" or "sensitive" in certain jurisdictions, for example your racial or ethnic origins, sexual orientation, and religious beliefs. We may process sensitive personal information when necessary with your consent or as otherwise permitted by applicable law. Learn more about sensitive information we process. Do we collect any information from third parties? We do not collect any information from third parties. How do we process your information? We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent. We process your information only when we have a valid legal reason to do so. Learn more about how we process your information In what situations and with which parties do we share personal information? We may share information in specific situations and with specific situations and with whom we share your personal information. How do we keep your information safe? We have adequate organizational and technical processes and procedures in place to protect your personal information. However, no electronic transmission over the internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Learn more about how we keep your information safe. What are your rights? Depending on where you are located geographically, the applicable privacy law may mean you have certain rights regarding your personal information. Learn more about your privacy rights. How do you exercise your rights? The easiest way to exercise your rights is by visiting help@joinbackdrop.com, or by contacting us. We will consider and act upon any request in accordance with applicable data protection laws. Want to learn more about what we do with any information we collect? Review the Privacy Notice in full TABLE OF CONTENTS 1. WHAT INFORMATION DO WE COLLECT? 2. HOW DO WE PROCESS YOUR INFORMATION? 3. 14. DO UNITED STATES RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS? 15. DO WE MAKE UPDATES TO THIS NOTICE? 16. HOW CAN YOU CONTACT US ABOUT THIS NOTICE? 17. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU? 1. WHAT INFORMATION DO WE COLLECT? Personal information you disclose to us In Short: We collect personal information that you provide to us. We collect personal information that you voluntarily provide to us when you register on the Services, when you participate in activities on the Services, or otherwise when you contact us. Personal Information Provided by You. The personal information we collect depends on the context of your interactions with us and the products and features you use. The personal information we collect may include the following: names phone numbers email addresses usernames

passwords job titles contact or authentication data billing addresses debit/credit card numbers mailing addresses Sensitive Information. When necessary, with your consent or as otherwise permitted by applicable law, we process the following categories of sensitive information: financial data Social Media Login Data. We may provide you with the option to register with us using your existing social media account. If you choose to register in this way, we will collect certain profile information about you from the social media provider, as described in the section called "HOW DO WE HANDLE YOUR SOCIAL LOGINS?" below. **Application Data.** If you use our application(s), we also may collect the following information if you choose to provide us with access or permission: Mobile Device Access. We may request access or permission to certain features from your mobile device's camera, storage, and other features. If you wish to change our access or permissions, you may do so in your device's settings. • Mobile Device Data. We automatically collect device information (such as your mobile device ID, model, and manufacturer), operating system, version information and system configuration information, device and application identification numbers, browser type and

version, hardware model Internet service provider and/or mobile carrier, and Internet Protocol (IP) address (or proxy server). If you are using our application(s), we may also collect information about the phone network associated with your mobile device, your mobile device's operating system or platform, the type of mobile device you use, your mobile device's unique device ID, and information about the features of our application(s) you accessed. Push Notifications. We may request to send you push notifications regarding your account or certain features of the application(s). If you wish to opt out from receiving these types of communications, you may turn them off in your device's settings This information is primarily needed to maintain the security and operation of our application(s), for troubleshooting, and for our internal analytics and reporting purposes

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

We automatically collect certain information when you visit, use, or navigate the Services. This information but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Services, and other technical information. This information is primarily needed to maintain the security and operation of our

Log and Usage Data. Log and usage data is service-related, diagnostic, usage, and performance information our servers automatically collect when you access or use our Services and which we record in log files. Depending on how you interact with us, this log data may include your IP address, device information, browser type, and settings and information about your activity in the Services (such as the date/time stamps associated with your usage, pages and files viewed, searches, and other actions you take such as which

Device Data. We collect device data such as information about your computer, phone, tablet, or other device used, this device data may include information such as your IP address (or proxy server), device and

 Location Data. We collect location data such as information about your device's location, which can be either precise or imprecise. How much information we collect depends on the type and settings of the device you use to access the Services. For example, we may use GPS and other technologies to collect geolocation data that tells us your current location (based on your IP address). You can opt out of allowing us to collect this information either by refusing access to the information or by disabling your Location setting on your device.

In Short: We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We process the personal information for the following purposes listed below. We may also process your

• To send you marketing and promotional communications. We may process the personal information you send to us for our marketing purposes, if this is in accordance with your marketing preferences. You can opt out of our marketing emails at any time. For more

In Short: We only process your personal information when we believe it is necessary and we have a valid legal reason (i.e., legal basis) to do so under applicable law, like with your consent, to comply with laws, to provide you with services to enter into or fulfill our contractual

• Legitimate Interests. We may process your information when we believe it is reasonably necessary to achieve our legitimate business interests do not outweigh your interests and fundamental rights and freedoms. For example, we may process your

• Legal Obligations. We may process your information where we believe it is necessary for compliance with our legal obligations, such as to cooperate with a law enforcement body or regulatory agency, exercise or defend our legal rights, or disclose your information as

We may process your information if you have given us specific permission (i.e., express consent) to use your personal information for a specific purpose, or in situations where your permission can be inferred (i.e., implied consent). You can withdraw your consent at any time.

• If it is reasonable to expect collection and use with consent would compromise the availability or the accuracy of the information and the collection is reasonable for purposes related to investigating a breach of an agreement or a contravention of the laws of Canada or a

• Other Users. When you share personal information or otherwise interact with public areas of the Services, such personal information may be viewed by all users and may be publicly made available outside the Services in perpetuity. If you interact with other users of our Services and register for our Services through a social network (such as Facebook), your contacts on the social network will see your name, profile photo, and descriptions of your activity. Similarly, other users will be able to view descriptions of your activity, communicate

We may use cookies and similar tracking technologies (like web beacons and pixels) to gather information when you interact with our Services. Some online tracking technologies help us maintain the security of our Services and your account, prevent crashes, fix bugs, save

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertisements, to tailor advertisements to your interests, or to send abandoned shopping cart reminders

To the extent these online tracking technologies are deemed to be a "sale"/"sharing" (which includes targeted advertising, as defined under the applicable US state laws, you can opt out of these online tracking technologies by submitting a request as

As part of our Services, we offer products, features, or tools powered by artificial intelligence, machine learning, or similar technologies (collectively, "AI Products"). These tools are designed to enhance your experience and provide you with innovative solutions. The terms in

We provide the AI Products through third-party service providers ("AI Service Providers"), including Anthropic and OpenAI. As outlined in this Privacy Notice, your input, output, and personal information will be shared with and processed by these AI Service Providers to enable

All personal information processed using our Al Products is handled in line with our Privacy Notice and our agreement with third parties. This ensures high security and safeguards your personal information throughout the process, giving you peace of mind about your data's

Our Services offer you the ability to register and log in using your third-party social media account details (like your Facebook or X logins). Where you choose to do this, we will receive certain profile information about you from your social media provider. The profile information

We will use the information we receive only for the purposes that are described in this Privacy Notice or that are otherwise made clear to you on the relevant Services. Please note that we do not control, and are not responsible for, other uses of your personal information by

Our servers are located in the United States. If you are accessing our Services from outside the United States, please be aware that your information may be transferred to, stored by, and processed by us in our facilities and in the facilities of the third parties with whom we may

If you are a resident in the European Economic Area (EEA), United Kingdom (UK), or Switzerland, then these countries may not necessarily have data protection laws or other similar laws as comprehensive as those in your country. However, we will take all necessary

We have implemented measures to protect your personal information, including by using the European Commission's Standard Contractual Clauses for transfers of personal information between our group companies and between us and our third-party providers. These

clauses require all recipients to protect all personal information that they process originating from the EEA or UK in accordance with European data protection laws and regulations. Our Standard Contractual Clauses can be provided upon request. We have implemented similar

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this notice will require

When we have no ongoing legitimate business need to process your personal information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guaranteed to be 100% secure.

We do not knowingly collect, solicit data from, or market to children under 18 years of age or the equivalent age as specified by law in your jurisdiction, nor do we knowingly sell such personal information. By using the Services, you represent that you are at least 18 or the

equivalent age as specified by law in your jurisdiction or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Services. If we learn that personal information from users less than 18 years of age or the equivalent age as specified by law in your jurisdiction has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 18 or the equivalent age as specified by

In Short: Depending on your state of residence in the US or in some regions, such as the European Economic Area (EEA), United Kingdom (UK), Switzerland, and Canada, you have rights that allow you greater access to and control over your personal information. You may

In some regions (like the EEA, UK, Switzerland, and Canada), you have certain rights under applicable data protection laws. These may include the right (i) to request access and obtain a copy of your personal information, (ii) to request rectification or erasure; (iii) to restrict the processing of your personal information; (iv) if applicable, to data portability; and (v) not to be subject to automated decision-making. If a decision that produces legal or similarly significant effects is made solely by automated means, we will inform you, explain the main factors, and offer a simple way to request human review. In certain circumstances, you may also have the right to object to the processing of your personal information. You can make such a request by contacting us by using the contact details provided in the section "HOW CAN YOU

Withdrawing your consent: If we are relying on your consent to process your personal information, which may be express and/or implied consent at any time. You can withdraw your consent at any

Opting out of marketing and promotional communications: You can unsubscribe from our marketing and promotional communications at any time by clicking on the unsubscribe link in the emails that we send, or by contacting us using the details provided in the section "HOW CAN YOU CONTACT US ABOUT THIS NOTICE?" below. You will then be removed from the marketing lists. However, we may still communicate with you — for example, to send you service-related messages that are necessary for the administration and use of your

Upon your request to terminate your account, we will deactivate or delete your account and information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our legal

Cookies and similar technologies: Most Web browsers are set to accept cookies by default. If you prefer, you can usually choose to remove cookies and to reject cookies or reject cookies, this could affect certain features

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage, no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online

In Short: If you are a resident of, you may have the right to request access to and receive details about the personal information we maintain about you and how we have processed it, correct inaccuracies, get a copy of, or delete your personal information. You may also have

The table below shows the categories of personal information we have collected in the past twelve (12) months. The table includes illustrative examples of each category and does not reflect the personal information we collect from you. For a comprehensive inventory of all

Transaction information, purchase history, financial details, and payment information

Images and audio, video or call recordings created in connection with our business activities

We only collect sensitive personal information, as defined by applicable privacy laws or the purposes allowed by law or with your consent. Sensitive personal information may be used, or disclosed to a service provider or contractor, for additional, specified purposes. You may

We may disclose your personal information with our service providers pursuant to a written contract between us and each service provider. Learn more about how we disclose personal information to in the section, "WHEN AND WITH WHOM DO WE SHARE YOUR

We have not disclosed, sold, or shared any personal information to third parties for a business or commercial purpose in the preceding twelve (12) months. We will not sell or share personal information in the future belonging to website visitors, users, and other consumers.

Under certain US state data protection laws, you can designate an authorized agent to make a request from an authorized agent that does not submit proof that they have been validly authorized to act on your behalf in accordance with

Upon receiving your request, we will need to verify your identity to determine you are the same person about whom we have the information in our system. We will only use personal information provided in your request to verify your identity or authority to make the request.

If you submit the request through an authorized agent, we may need to collect additional information to verify your identity before processing your request and the agent will need to provide a written and signed permission from you to submit such request on your behalf.

We may update this Privacy Notice from time to time. The updated version will be indicated by an updated "Revised" date at the top of this Privacy Notice, we may notify you either by prominently posting a notice of such

Based on the applicable laws of your country or state of residence in the US, you may have the right to request access to the personal information we collect from you, details about how we have processed it, correct inaccuracies, or delete your personal information. You may

also have the right to withdraw your consent to our processing of your personal information. These rights may be limited in some circumstances by applicable law. To request to review, update, or delete your personal information, please visit: help@joinbackdrop.com

We may use your personal information for our own business purposes, such as for undertaking internal research for technological development and demonstration. This is not considered to be "selling" of your personal information.

• Right to opt out of the processing of your personal data if it is used for targeted advertising, the sale of personal data, or profiling in furtherance of decisions that produce legal or similarly significant effects ("profiling")

However, if we cannot verify your identity from the information already maintained by us, we may request that you provide additional information for the purposes of verifying your identity and for security or fraud-prevention purposes.

You have rights under certain US state data protection laws. However, these rights are not absolute, and in certain cases, we may decline your request as permitted by law. These rights include:

To exercise these rights, you can contact us by visiting help@joinbackdrop.com, by emailing us at help@joinbackdrop.com, or by referring to the contact details at the bottom of this document.

changes or by directly sending you a notification. We encourage you to review this Privacy Notice frequently to be informed of how we are protecting your information.

have the right to limit the use or disclosure of your sensitive personal information. We do not collect or process sensitive personal information for the purpose of inferring characteristics about you.

We may also collect other personal information outside of these categories through instances where you interact with us in person, online, or by phone or mail in the context of:

Student records and directory information

individual's preferences and characteristics

we receive may vary depending on the social media provider concerned, but will often include your name, email address, friends list, and profile picture, as well as other information you choose to make public on such a social media platform.

your third-party social media provider. We recommend that you review their privacy notice to understand how they collect, use, and share your personal information, and how you can set your privacy preferences on their sites and apps.

your use of our AI Products for purposes outlined in "WHAT LEGAL BASES DO WE RELY ON TO PROCESS YOUR PERSONAL INFORMATION?" You must not use the AI Products in any way that violates the terms or policies of any AI Service Provider.

(depending on your communication preferences). The third parties and services or on other websites.

The General Data Protection Regulation (GDPR) and UK GDPR require us to explain the valid legal bases we rely on in order to process your personal information. As such, we may rely on the following legal bases to process your personal information:

• Consent. We may process your information if you have given us permission (i.e., consent) to use your personal information for a specific purpose. You can withdraw your consent at any time. Learn more about withdrawing your consent

• Vital Interests. We may process your information where we believe it is necessary to protect your vital interests or the vital interests of a third party, such as situations involving potential threats to the safety of any person.

• Business Transfers. We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

• Performance of a Contract. We may process your personal information when we believe it is necessary to fulfill our contractual obligations to you, including providing our Services or at your request prior to entering into a contract with you.

To facilitate account creation and authentication and otherwise manage user accounts. We may process your information so you can create and log in to your account, as well as keep your account in working order.

• To respond to user inquiries/offer support to users. We may process your information to respond to your inquiries and solve any potential issues you might have with the requested service.

To fulfill and manage your orders. We may process your information to fulfill and manage your orders, payments, returns, and exchanges made through the Services.

• To enable user-to-user communications. We may process your information if you choose to use any of our offerings that allow for communication with another user.

• To protect our Services. We may process your information as part of our efforts to keep our Services safe and secure, including fraud monitoring and prevention.

• To identify usage trends. We may process information about how you use our Services to better understand how they are being used so we can improve them.

To save or protect an individual's vital interest. We may process your information when necessary to save or protect an individual's vital interest, such as to prevent harm.

To provide spend trends to users and provide more seamless onboarding experience.
To eliminate manual entry of production data and save users money using spend trends

• To send administrative information to you. We may process your information to send you details about our products and services, changes to our terms and policies, and other similar information

In Short: Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our Services.

application identification numbers, location, browser type, hardware model, Internet service provider and/or mobile carrier, operating system, and system configuration information.

features you use), device event information (such as system activity, error reports (sometimes called "crash dumps"), and hardware settings).

Our use of information received from Google APIs will adhere to Google API Services User Data Policy, including the Limited Use requirements.

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

To deliver and facilitate delivery of services to the user. We may process your information to provide you with the requested service.

• To request feedback. We may process your information when necessary to request feedback and to contact you about your use of our Services.
