

Psalms

God speaks to us through his Word and **the Psalms lead us in prayer.**

Each week this year, read three psalms and consider:

- **What do you think God is saying to you in these psalms?**
- **What words or phrases jump out at you?**
- **Spend some time writing down a thought or idea of how the Lord is speaking to you.**

To be a prayerful and missional people, we must be immersed in the Word and pray the words of Scripture together.
