

The background features a detailed, dark-toned illustration. On the left, a bearded man with long hair, identified as the prophet Elisha, is shown from the chest up, wearing a robe. On the right, a woman, identified as King Jezebel, is depicted in an ornate, royal dress with a crown-like headpiece, holding a scepter. The overall style is reminiscent of classical religious art.

ELISHA

A PROPHET LIKE JESUS

Maybe more than any other prophet in the Old Testament, Elisha was a prophet like Jesus. 2 Kings captures the life of Elisha and challenges each of us to be more like Jesus as well.
