**Comedian Jeff Allen's New *Love & Laughter Tour: Cautionary Tales from an Old Guy Is Wonderful!***

Nashville, Tennessee – When people talk about what makes Jeff Allen special, they often refer to how relatable his comedy is. Or about the sublime craftsmanship in his act (he's now in his fifth decade as a comedian). Or that he can spend 90 minutes on stage and not say anything you wouldn't want your grandchild to hear.

And while that's all true, perhaps the most remarkable aspect of Jeff Allen can be measured in "laughs per minute." Simply put, you'd be hard-pressed to find a comedian that delivers more laugh-out-loud moments more consistently than Jeff Allen.

On his new tour, **Love & Laughter**, Jeff's hilarious comedy drives home the humor in everyday family life: the ups and downs of marriage, the challenge of raising children, and the joys of being a grandparent.

The tour pulls some of the funniest parts of his book *Are We There Yet?* In both the book and the tour, Jeff hilariously (and sometimes emotionally) takes us on the rollercoaster ride his life and career took before he found redemption.

If you're going, prepare yourself for an unforgettable evening filled with gut-busting laughter as he captivates audiences with his hilarious tales of woe!

Jeff Allen has appeared everywhere - on **Comedy Central, Showtime, TBN, CBN, Family Net, Dry Bar Comedy** (their most viewed comedian with seven comedy specials), **America's Got Talent, HBO, Amazon Prime, Huckabee, Pureflix, VH-1**, and numerous other television networks. He can be heard regularly on **SiriusXM's** comedy channels, as well as **Pandora** and **Spotify**. He has performed for our troops on aircraft carriers and ships in the Indian Ocean. Jeff has also performed at three **Presidential** Inaugural Galas.

Jeff Allen's videos have almost one billion views on Facebook, YouTube, and other channels. He has also produced and starred in his own sitcom pilot for Castlerock Television, and in the critically acclaimed film, **Apostles of Comedy and Onwards & Upwards**. He is presently in pre-production for his new series based on his book, **Are We There Yet?**
