

# Summer Day Camp at ProSkate 2026

Our camp is designed for boys and girls ages 5 to 12, from no experience through our freestyle levels. It's a great introduction to ice skating in a fun and supportive environment. No ice skating experience necessary. The children learn to skate in small groups through games and activities. All children will be divided into groups according to their skill level.

**Beginner Classes** - Emphasis on feeling comfortable on the ice while gaining balance and control. Introduction to forward marching, snowplow stops, 1 and 2 foot glides, forward and backward swizzles and wiggles.

**Intermediate Classes** - For skaters who have completed Basic 3 or who have achieved the items in the beginner level. This level will focus on stroking, forward and backward crossovers and be introduced to jumping, spinning, lunges, spirals and introductory to Synchron.

**Our Day Will Include:** Two 1 1/4 hour on ice sessions depending on the package you choose, on ice and off ice games, indoor and outdoor sports (relay games, t-ball, four square, kickball, soccer) and Arts & Crafts.
