

## Become a Student Sustainability Ambassador!

We are looking for you!

Would you like to get involved in sustainability at the University of Bern and network with like-minded people in Bern and internationally?

Then apply to become a GreENLIGHT Student Sustainability Ambassador! As an ambassador, you can actively promote the student sustainability community in Bern, particularly at the University of Bern, via Students4Sustainability. You can do this through pitches in lectures, online campaigns, small events, or a format that you come up with yourself. As a Student Sustainability Ambassador, you can also exchange ideas with students from other universities within the GreENLIGHT network of the ENLIGHT university alliance and learn how sustainability is implemented at other European universities!

Apply with a short video introducing yourself, your motivation and your sustainability story (max. 3 min), as well as a brief CV via the [application form](#) (see also QR code below).

**Application deadline: September 26, 2025**

**Duration of the role: October 2025 to June 2026**

**What to expect:**

- Become part of a dynamic team that is passionately committed to sustainability issues at the four universities in Bern.
- Gain insight into how sustainable development issues are promoted at the University of Bern and at the Bern university location.
- Network regularly beyond Bern in the GreENLIGHT network of the ENLIGHT Alliance with other students, both online and in person at an ENLIGHT partner university.
- Help shape the student sustainability community in Bern in various formats such as pitches in courses, small or medium-sized events, online campaigns, or your own ideas.
- Flexible time management for your commitment
- Proof of your commitment for your CV

- Scholarship for the duration of the role (HS25 /FS26)

#### Your profile:

- Currently enrolled in a bachelor's or master's program at the University of Bern (including FS26)
- Motivation, interest, and enthusiasm for topics related to sustainable development; experience in sustainable development initiatives is desirable
- Reliable, independent, and structured approach to work
- Enthusiasm and openness to testing a new format and learning new things
- Affinity for analog and digital communication as well as very good communication skills; knowledge of social media is desirable
- Networked, systemic thinking
- Very good verbal and written communication skills in German and English

If you have any questions, don't hesitate to reach out to [jonas.niederberger@unibe.ch](mailto:jonas.niederberger@unibe.ch).

We look forward to receiving your application!
