JESOLO

Experience Jesolo on two wheels

With 12 routes and over 500 km of bike paths, welcome to the cycling itineraries of Jesolo.

01.

Services

We offer adult **bicycles** equipped with baskets, children's bicycles, and a selection of helmets, locks, and both front and rear child seats to ensure safety and comfort during your rides. For added peace of mind, we provide a **secure storage area** where you can leave your bikes safely. Moreover, **our location is ideal**, as we are close to the main cycling routes in the area.

We also offer an **electric bike charging station**, a bike washing area, and **basic tools** for bike maintenance. Additionally, we provide a **laundry service** for technical clothing, so you can always have your gear clean and ready for use. Finally, to help you plan your rides, we provide **maps** and detailed bike **route guides**.

02.

Additional services for sale

If needed, you can request **medical or physiotherapy assistance**. We can also provide a list of **specialized bike shops and local mechanics**, as well as the schedule for **guided tours** organized by Real Bike Guides.

If you want to explore the area in a more authentic way, you can book a **visit to the Adria farm farms** for a unique experience. Additionally, we offer an **electric bike rental** service through Ebike For Me, which includes free delivery and pickup directly at the hotel.
