## EDUCATION

### George Brown College

September 2020- May 2024 | Toronto, ON

Honours Bachelor of Digital Experience Design, GPA: 3.9.

## EXPERIENCE

### Product Design Intern — Universe

May 2023- August 2023 | Toronto, ON

- Designed, prototyped and presented improvements to the platform's add-on checkout flow over the course of the summer, focusing on streamlining current UI designs and adding additional functionalities to better serve customers' needs
- Worked on several small tickets to help with the platform's usability and UI issues
- Cross-collaborated with the Product, Client Support, Marketing, Sales and Development teams

### Year-End Show Website Researcher & Designer — George Brown College

January 2024- April 2024 | Toronto, ON

- Collaborated with fellow committee members to reiterate on the showcase website for George Brown's year end show, which hosted 200+ graduating students and their work
- Conducted usability testing on the previous website, demonstrating advanced knowledge of user experience research methods
