CLAY-OUT 1 & 2

Two-Step Process Post-Spotter for Removing Clay

Sliding into base sometimes means the winning play, however it can also create deep staining from the clay on the field. ClayOut 1 & 2 removes those tough, ground-in clay stains to keep your uniforms in pristine condition! Depended on by high school, college and professional sports teams across the nation.

Remove Clay Stains In 6 Easy Steps

- Wash all uniforms on standard UC baseball uniform wash formula
- After wash is complete, inspect uniforms for clay stains
- Treat all clay stains with ClayOut 1 using a squirt/flip top bottle
- Treat the same area with ClayOut 2 using a squirt/flip top bottle
- Watch clay stains disappear
- Re-wash uniforms on a standard UC ClayOut wash formula
