THE BRICK

Concentrated Field Paint and Dye Remove

The Brick is an extremely concentrated, ready-to-use product for the quick and easy removal of field paint and dye. Designed for post-spotting use. Depended on by high school, college and professional sports teams.

Remove Field Stains in 4 Easy Steps

- Wash uniforms first; allow the wash formula and machine to work first
- When cycle is finished, set aside those items still soiled with field paint
- Apply The Brick and allow to sit for 1-5 minutes (*light scrubbing may be required on extremely tough, deep-set stains*)
- Rewash uniforms in standard wash cycle
