Dr. Jennifer Grenz

March 10

Author of the best-selling book *Medicine Wheel for the Planet: A Journey Toward Personal and Ecological Healing*. Grenz (@jennifer_grenz) will show us that connecting Western and Indigenous sciences can both heal the land and the communities who depend on it.

Alexis Nikole Nelson

March 11

Chef, forager, and influencer Alexis Nikole Nelson (@TheBlackForager) shares the joy of foraging the wild foods, medicines, and fibers found right in our own neighborhoods.

Dr. Dacher Keltner

March 12

Join a conversation with Dr. Dacher Keltner, a leading scholar in the study of emotions and author of *Awe: The New Science of Everyday Wonder and How It Can Transform Your Life*.
