

MSc in Strategic Leadership

University of
Central Lancashire

Overview

The MSc in Strategic Leadership is designed for professionals and aspiring leaders who wish to develop advanced leadership, strategic thinking, and decision-making capabilities. The programme equips learners with the knowledge and skills required to lead organisations effectively through change, complexity, and competitive global environments.

The course focuses on strategic planning, organisational leadership, change management, innovation, and ethical decision-making. Graduates will emerge as confident, forward-thinking, and highly employable leaders, well prepared to take on senior management and leadership roles across a wide range of industries.

Entry Requirements

- An Undergraduate degree and 3 years of work experience
- Students with significant Managerial work experience without an undergraduate degree are considered on an individual basis
- Students are expected to have a good command of English, and this can be demonstrated by previous academic studies in English medium and/or by taking a formal English language assessment
