

ILLB (Hons) Law University of Wolverhampton

Overview

The LLB (Hons) Law degree is designed for learners who wish to gain a comprehensive understanding of legal principles and the functioning of legal systems. The programme provides a strong academic foundation in law, developing critical thinking, legal reasoning, and analytical skills essential for legal practice and related careers.

The course covers core areas such as contract law, criminal law, public law, tort law, and legal research and ethics. Graduates will emerge as confident and knowledgeable professionals, well prepared for further legal training or a wide range of careers in law, business, public service, and related fields.
