

MSc in Project Management (Top-Up)

Anglia Ruskin University

The MSc in Project Management (Top-Up) programme is designed for learners who have already completed a relevant postgraduate qualification and wish to progress to a full master's degree in a shorter time frame. The programme develops advanced knowledge and practical skills required to successfully manage projects, teams, and organisational objectives across a wide range of industries.

Aligned with current industry standards and best practices, the course focuses on project planning, risk management, leadership, budgeting, and strategic decision-making
