

MBA in Educational Leadership and Management (Top-Up)

Anglia Ruskin University

The MBA in Educational Leadership and Management (Top-Up) is designed for learners who have already completed a relevant postgraduate qualification and wish to progress to a full master's degree in a shorter time frame. The programme develops advanced leadership, strategic management, and decision-making skills tailored to educational institutions and learning environments. Aligned with contemporary educational practices and leadership standards, the course focuses on educational strategy, organisational management, policy development, quality assurance, and leadership within education settings.
