

BA (Hons) Business Management (Top-Up)

University of Wolverhampton

The BA (Hons) Business Management (Top-Up) degree is designed for learners who have already completed a HND in Business or an equivalent qualification and wish to progress to a full undergraduate degree. Completed in as little as one year, the programme provides a focused set of modules that strengthen business knowledge, leadership ability, and strategic management skills. Aligned with contemporary industry practices, the course covers key areas such as organisational management, marketing, finance, operations, and business strategy.
