

Level 4 Certificate in Education and Training

Gatehouse Awards

Overview

The Level 4 Award in Education and Training is designed for learners who wish to develop the essential skills and knowledge required to teach or train others in a classroom or workplace setting. The programme provides a foundation in teaching principles, learning techniques, and effective communication.

The course covers areas such as lesson planning, delivery techniques, assessment methods, and creating inclusive learning environments. Learners will develop confidence, instructional skills, and practical strategies to engage and support learners effectively.

Entry Requirements

- Level 4 Award in Education and Training qualification is intended for adult learners aged 19 and above.
- All trainee teachers joining this qualification programme should undertake an initial assessment of skills in English, Mathematics and ICT.
