

Level 5 Extended Diploma in Business Management

Gatehouse Awards

Overview

The Level 5 Extended Diploma in Business Management is designed for learners who wish to develop comprehensive knowledge and practical skills in business and management. Building on prior study or experience, the programme offers an in-depth understanding of organisational strategy, operations, and leadership.

The course covers key areas such as strategic management, marketing, finance, human resources, and business operations, with a strong focus on applying theory to real-world business scenarios. Learners will emerge as confident, capable, and industry-ready professionals, well prepared for managerial roles or progression to a full undergraduate degree.
