

GA Level 7 Diploma in Strategic Leadership and Management

Gatehouse Awards

Overview

The Level 7 Diploma in Strategic Leadership and Management is designed for senior managers and aspiring leaders who wish to develop advanced strategic thinking and organisational leadership capabilities. The programme focuses on high-level decision-making, innovation, and the effective management of complex business environments.

The course covers areas such as strategic planning, organisational performance, financial management, change management, and corporate governance. Learners will strengthen their analytical, leadership, and problem-solving skills, preparing them for executive roles or progression to a postgraduate Top-Up qualification.

Entry Requirements

- This qualification is intended for learners aged 21 and above.
- Learners should hold
 - a degree (undergraduate honours degree)
