Pay Per Click Management (PPC)

We focus on what matters to you, ROAS! We make every click count and track every lead from capture to acquisition.

Working with Dynamic Search has been an outstanding experience. Asher and his talented team have made themselves available whenever we've needed them. Asher has become more than just a "vendor" to my Firm; he's an integral part of our marketing team. I recommend Asher without hesitation. 99

Client testimonials

“ We engaged with Dynamic Search to conduct an in-depth PPC analysis. Asher was very easy to work with and sought to understand our goals. He provided us with detailed reports, timely communication, and concise and actionable recommendations that have been very helpful for our operation. ”

Klaus Schwegler
Marketing Manager -
Cisco

“ I worked with Dynamic Search for years. They provide the best customer service and subject matter knowledge in Pay per click. If you are looking for a new company to handle your pay per click on Google Ads, Bing or both then Dynamic is your answer. ”

Byron Browne
Owner - Browne Law

“ Asher has great knowledge of network marketing, creative website design, video production and more. He is easy to work with and responds quickly to questions and problems. Asher is a steady light to guide this blend of computer science and love for the human journey of health and healing. ”

Dr. Ronald Peters
Owner - Mindbody Med

“ Asher and his team took our PPC landing pages to the next level. He made the process easy guiding us every step of the way and delivered as promised on time and within budget. If you are looking for PPC, I highly recommend the team at PPC.me ”

Marshall Harden
CEO - Building The Best

“ I approached Dynamic Search to assist us with traffic recovery (link detox). The engagement with Asher to improve our operation was smooth and he delivered what was promised -- on time! I found the experience to be above expectations. I would happily recommend Asher to anyone. ”

Mark Zoke
CEO - SaltWorks

“ Asher's professionalism is evident and I'm truly grateful for his contributions. He worked on our website and also managed some marketing, both of which have brought us closer to our goals. I recommend Asher Elran to any attorney in need of a trustworthy expert in the web marketing space. ”

Robin Sax
Owner - Robin Sax Law

The story behind our company

Dynamic Search™ has evolved from an internal IT department of a sister company to an independent entity providing full-service web marketing and consulting. Bringing an engineering background to the table, Dynamic Search™ had a competitive edge in the early days of paid ads and organic listing industries, which passed on to our clients. Dynamic Search™ has been positioned as a subject matter expert and has helped shape the industry through constant innovation and vast experience sharing.
