

ORBIT GX

Silicone Profile - Flexible-Inverted Mounting

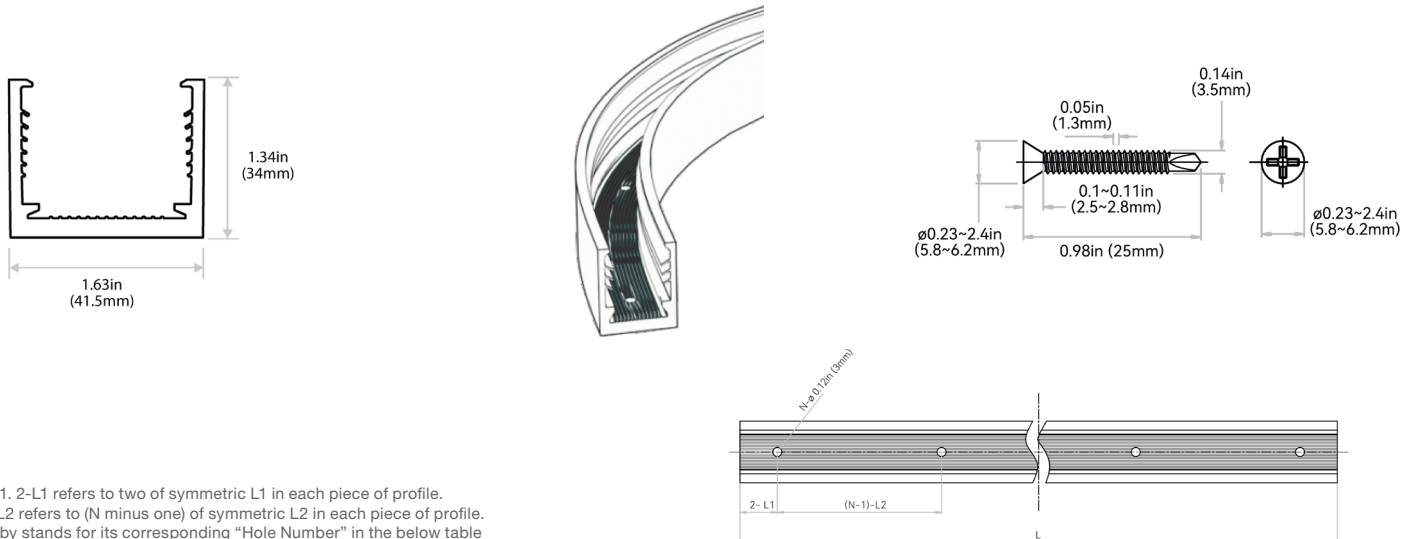

An all-in-one mounting profile designed to unleash your creativity and maximize installation flexibility. Featuring both top and side bending capabilities in a single profile, it overcomes traditional bending limitations and supports a wide range of installation configurations, including upright and upside-down mounting.

ORDER CODE

C2		N		3
MOUNTING PROFILE TYPE	STANDARD LENGTH	PROFILE	COLOR	BENDING
C2 = Silicone Profile - Flexible-Inverted Mounting	C = 7.87in (200mm) 3 = 19.68in (500mm) 5 = 39.37in (1000mm)	N = OrbitGX	2 = Black 3 = White 0 = Custom	3 = Multi

DIMENSIONS

NOTES: 1. 2~L1 refers to two of symmetric L1 in each piece of profile.
2. (N-1)~L2 refers to (N minus one) of symmetric L2 in each piece of profile.
"N" hereby stands for its corresponding "Hole Number" in the below table

ORDER CODE	LEGACY ORDER CODE WHITE	LEGACY ORDER CODE BLACK	STANDARD LENGTH	L1	L2	SLOTTED HOLE	HOLE #
